Woodcreek high school baseball

Woodcreek High School Dugout Club works with local businesses and boosters to support the Woodcreek High School baseball program. With changes in the way after school games are funded, it's now possible to out-do the high school sector without fundraising activities. Our vehicle donation program allows us to raise funds without asking for your credit card. A call and your vehicle will be picked up at a time that works for you. You get a tax write-off and the Woodcreek baseball program needs a lot of help. Thanks for the trip!
