August 14, 2018 HindiSarkariResultDesk Education 20 Parts of Speech Parts of Speech Hindi Parts Of Speech When we write or speak a sentence, we need a group of words to use together in a specific manner. Here, each sentence is given a name, name, pronoun, verb, etc. To understand the sequence of words so that the sentence presents the right message, these words are categorized into 8 categories, called parts of speech. हिंदी में speech sections या शब्दों (words) को भिन्न-भिन्न भागों में विभाजित किया जाता है। इन्हें शब्द-भेद (parts of speech) कहते हैं। Parts of Hindi speech are parts of आठ प्रकार के होते हैं-1- noun (संज्ञा) 2- pronoun (सर्वनाम) 3- verb (विशेषण) 4- verb (क्रिया) 4 5 - क्रिया विशेषण 6- सम्बंधसूचक शब्द) definitions and examples of part of speech 1. The संज्ञा (name) is the name of the person, place, or thing called the noun, the nouns are also known in Hindi as sangya (संज्ञा). In other words: a word used as a name to represent a person, place or thing is called a noun. Ex-girl, school, dog etc. Examples: 1- Ashoka was a great king. 2. Delhi is a big city. 3. The sun is very hot. उपर्युक्त वाक्यों में Ashoka, King, Delhi, City, San का प्रयोग named की तरह हुआ है। 2- Pronoun (सर्वनाम) is a pronoun of a word used in the place of noun. In Hindi, pronouns are called saronam. In other words: pronoun is a word used in place of noun in general to prevent nouns from happening again. He, him, you, etc. Examples: 1- Madden is absent because he is sick. 2. Books are where you left them. उपर्युक्त वाक्यों में he और them सर्वनाम (pronoun) है क्योंकि he का प्रयोग them के लिए और book का प्रयोग 3 के लिये हुआ है 3. Raging (विशेषण) gives additional information about the noun (Sangia) or pronoun (Cervanam). In other words: mohib is a term that describes the characteristic of the noun or pronoun or refers to the additional expertise of the noun or pronoun. The former is happy, brave, poor and so on. Examples: 1- He is a brave body. 2. There are 30 boys in this class. वाक्यों में, 30 और विशेषण (है। 4. Verb (क्रिया) is a word that says something about the noun or expresses some action by noun. Ex run, jump, read etc. In Hindi, the verb, especially the verb of action, is known क्रिया kriva (क्रिया). Examples: 1- The girl wrote a letter. 2. Delhi is a big city. 3. He played cricket. 4. The sun rises in the East. उपर्युक्त वाक्यों में wrote, is, played, क्रियाएँ (verb) हैं। Parts of Indian Speech 5. Adverb (क्रिया विशेषण) is a word or group of words that shows the quality of a verb or verb or another verb or offers some additional information about them. Ex out, tonight, quickly etc. Examples: 1- He worked the amount quickly. 2- This flower is very beautiful. पहले वाक्य में worked क्रिया quickly (verb) को specified कर रहा है। दसरे वांक्य में verv विशेषण (adjective) beautiful को beautiful को beautiful कर रहा है। Determining का अर्थ है-अर्थ स्पष्ट करना अर्थात विशेषण प्रकट करना। अतः उपर्युक्त वाक्यों में speed, veyऔर quite Adverbs हैं। 6. The proposition (सम्बन्ध सूचक अव्यय या पूर्वसर्ग) of the proposition describes the relationship between nouns, verbs and verbs. Letter is a letter used by a name or pronoun. The relationship between that name or pronoun is expressed by some other name or pronoun. Ex- At, On, In etc. Examples: There are 1- parrots in the garden. 2. The girl is interested in songs. 3.
