The Minnesota Association of Townships is awarding \$2,000 scholarships to up to five juniors currently participating in a Minnesota public, private, or parish school or home study program that intends to continue their education at a college, university, or vocational school. Applicants must fill out an application form and submit it along with a written essay discussing this year's topic: The Minnesota Association's Title of Township's 2020 Annual Conference is: Township Day. The question is: The second Tuesday in March is Township Day. Each year, each commune holds its annual meeting. This meeting is often described as meeting people. There are rights and authorities granted to voters at that meeting, but these rights and authorities are limited: So if you were a voter, would you proceed with an action that would happen and that one or more of the rights and authorities that you would use and why? Essays must be between 450 and 500 words, and must be typed with double spacing. Applicants should not name themselves, their school, their city or city, or their local officials in the essay. Each essay will be judged by an independent panel based on originality, subject knowledge in relation to the title, and statements of support, as well as correct spelling and punctuation. The judging will be completed by 1 October 2020. Along with the completed application and written essay, students must submit a current high school transcript and a letter of recommendation from a high school teacher or counselor. All articles must be presented in an envelope and mailed to: Minnesota Association of Townships Scholarship Program, PO Box 267, St Michael, MN 55376, postmarked until May 1, 2020. Incomplete applications or applications marked after 1 May 2020 will not be accepted. Winners will be announced in writing by October 1, 2020 and will be invited to attend the Minnesota Townships Educational & Annual Conference, which will take place from November 19-21, 2020, at the River's Edge Convention Center in St. Cloud, Minnesota. Scholarships will be paid to the appropriate financial aid office upon receipt of the registration check at a college, university or technical school. 2020 Scholarship Application More News November 11 Update This article addresses how townships can hold bo...
