Platform Unsadtered Version The unsadtered version of this game can be found here. (Votes of 176514 members) Mutilate a Doll 2 is a physical sand pool simulator developed by Rava Games. If this appeals to you immediately, you should probably get professional help. But if you're just morbidly curious, then this splatter slapstick game can be fun for you. Use the technical interface to make fun experiments with your Ragdoll. You have access to many different objects there. You can terrorize your baby with weapons, unsafe items or just plain old life-threatening spells. Like most baby games you can play online, it's just fun to see what you can get with. You can enjoy Mutilate a Doll 2, a crazy fun game with complete freedom of choice. All you need is an uncomfortably dark sense of humor. And stomach all the carnage you've done with your experiments. This crazy simulator cheerfully provides a ragdoll character attack of all kinds of sharp objects. Play with large and heavy objects, such as an an ans or a large anchor. Objects are so large that they can barely be removed by a single person. Discover all-new ways to mutilate a baby. (Read more ..) Like Happy Wheels playable characters, a fun part is to see the baby suffer in an online game. Shoot a gun into your character's torso and see what happens next. Maybe little pieces that were once a human-looking baby. Shoot characters with traps you put neatly next to them. Watch their body parts fly in all directions as you blast them off. Or just let physics take their toll as you throw them around like a crash test puppet. You can hit them against the wall or the ceiling. Even before you throw it back on the ground, it's high you can remove it. There are almost no limits for you Sadism in Mutilate a Doll 2.
