## Louisiana teaching certificate add on

Thank you for your interest in Southeast's Add-on Certification Programs. Certified teachers in Louisiana can add additional certificates to their education certificates by completing requirements found in Bulletin 746: Louisiana Standards for State Certification of School Personnel. The Graduate Manual provides important information about how to enroll in courses, how to consult, etc. Students who are accepted to the Add-On Certificate program are considered graduate students. Add-on Certificate Programs Louisiana State University Shreveport offers certification programs for educators who want to add approval to their teaching certificates. Educational Technology Facilitator Ms. Monica Pels, Consultant, [monica.pels@lsus.edu](mailto:monica.pels@lsus.edu) classes are open to any graduate student in any program; does not require a master's degree.
