Visit nlsc.skillsusa.org for a regularly updated frequently updated faq, a video transcript, and more. More details soon... #SkillsUSA #NLSC21 April 2021, Specific data TBA SkillsUSA Maryland State Championships is the state-level competition for high school and post-secondary students who are enrolled in career education and technology (CTE) programs. Each year at the State Championship more than 1,000 Maryland TEE students compete in over 90 occupational and driving qualification events. 1st place winners qualify to represent the state of Maryland at the National SkillsUSA Leadership and Skills Conference (NLSC) in the week of June 21-26, 2021. SkillsUSA Maryland Professional members have online access to the latest technical competition standards. Go to skillsusa.org and click the Join button at the top of the home page to access this information. It is very important to share the technical standards of the competition with all students preparing to compete in local, regional, state and national competitions. SkillsUSA is a student-led organization through which student members are tasked with governing the affairs associated with the student constitution. Chapters have the right to vote for delegated students in proportion to their membership in order to represent the views of their chapter within the structure of the House of State of Delegates. Please make sure that your chapter is represented at the SkillsUSA Maryland Delegate Assembly. State Delegate voting instructions National request for delegated voting 2021 Score cards and contest updates (to be released) Important: when issued, the scorecards will align with the descriptions of the 2021 technical standards contest. Score cards can be edited/modified/shortened by the competition seats in Maryland for the 2021 State Championship projects. Some, but not all, contest chairs of additional state press related contest information before the State Championship. Updates are posted on this page as they are received. Please use current technical standards and scorecards as general study information in the preparation of all state competitions. 3-D View and Animation score card action Skills description score card Additive manufacturing description score card advertising Design description score card American Spirit description score description score card Audio / Radio Production description automatic score manufacturing Technology description score card Automotive Maintenance Light Repair Demo description score Automotive Refinish Technology description score Service Technology description air score Maintenance Technology description score barbershop Demo description basic score Health Skills description score broadcast News Description maintenance book description score book Cabinetmaking description score card carpentry description score book Career Ways Showcase description score book Capitol Business procedure description score card display description score card CNC Milling Specialist description score book CNC Technician description score card CNC Turning Specialist description score collision damage Evaluation Demo description score card collision Repair technology description score commercial baking description score card action community action Project description score card community Service description score card programming description score card Cosmetology description score Crime Scene Investigation description criminal card score Justice description score card culinary arts description score card service for customers description score card cybersecurity Demo description score card dental assistance description score card Digital Cinema Production description score card Diesel Equipment Technology description score card education early description score card electric construction Cabling description score electronic technology description score card work Application description score card work Process description score engineering technology description score card entrepreneurship description score card Aesthetics description score card Extemporaneous Speaking description firefighting score description score card first aid / CPR description score card geospatial Technology description score card Graphic Communications description card graphics imaging - Sublimation description score card health knowledge Bowl description score card health Occupations professional portfolio description score card Humanoid Robotics description score card H VACCAR description score card Industrial Motor Control description score card Information Technology Services description score card Interactive Application and Video Game Development description score card internet of things and Smart Home description score card internetnetworking description score card qualification Interview description card qualifying demonstration a description score card qualifying demonstration open description score card Marine Service Technology description card description card Masonry description score card Mechatronics description score card Medical Assisting description score card medical math description score health card Terminology description score card mobile Electronic installation description score mobile Robotic Technology description score company Motorcycle Service Technology description score nail card description care card Assistance description score card health and safety in work description score card opening and closing ceremonies description score card outstanding Chapter description score photo description score card Pin Design description card sanitary description score card Power Equipment Technology description score card Practical Nursing description score card Prepared Speech description card score Principles of technology description score card Promotional Bulletin Board description score card Quiz Bowl description score card Related to technical Math description score card Restaurant Service description score card Robotics: Urban Search and Rescue description score card Robotics and Automation Technology description card score Screen Printing Technology description score sheet metal description card durability Solutions Demo description score T-shirt Design description score card TeamWorks description score card technical computer applications description score card technical description score card telecommunications Cabling description score card television (Video) Description of production score card Web Design description score card welding description score welding manufacturing description score card welding Sculpture description score card NEW MLSC CONSTRUCTIVE FEEDBACK FORUM Be the first to provide feedback about the contest.
