Homescapas Level 80 Tpsa defeated this level which we have compiled a small list of common suggestions that should help you in the way. While some suggestions are more useful than others, it's always good to remember basically. #1 our most important tup will take your time because there is no time limit. Taking your time will allow you to calculate almost what will help you make better decisions which will end after a match. #2 . Match the pieces at this point which will transfer the largest amount into pieces. Most of the time it will be at the bottom of the playing field. This will transfer the largest amount of pieces by doing it. This will hopefully trigger a chain reaction that will create new opportunities for creating special pieces. #3 . Keep your eyes open for the opportunities to create special pieces. The game will be easy to create special pieces with four colored pieces on the field. With every additional piece color on the playing field it will be increasingly difficult to match the pieces and make special pieces. The following are the different types of pieces: four of the same pieces of one square (ship) Five of the same pieces in a T-L (BM) one line (disk ball) If you want to enjoy your day playing a fun online game with family or friends then you should consider playing homescapas games.
