JACKSON, Miss., October 26, 2020 /PRNewswire/ -- From November 1 to December 15, Mississippi residents can select Ambetter from Magnolia Health for statewide health coverage through the federal health insurance market. As the COVID-19 pandemic continues to place extra emphasis on health, Magnolia Health continues to offer a variety of health insurance deals that are among the most affordable in the state. We value our members and remain committed to delivering quality and reliable health coverage plans through Magnolia Health's Ambetter, especially amid the ongoing COVID-19 pandemic, said Aaron Sisk, President and CEO, Magnolia Health. As part of the nation's No.1 marketplace insurer, we have the experience and resources to provide Mississippi residents with insurance options that provide reassurance and allow them to take over their health with affordable health care options. Ambetter of Magnolia Health offers greater value, convenient services and benefits that help make health insurance fit within people's lives. For those affected by the loss of jobs during the pandemic, Ambetter of Magnolia Health offers an alternative that is often more affordable than COBRA, the health insurance program that allows people to continue their employer-provided coverage. While charging maintains an individual's existing coverage, they will pay 100% of the cost plus an additional 2% in and subsidies are not available to reduce these costs. Cobra will also expire, requiring a person to seek new coverage. Valuable rewards Program members have access to the My Health Pays® program, where they can earn points for practicing healthy eating habits, move more, save save and be fine. Through the program, members can complete health-related activities and challenges. Members can earn \$500 in rewards * by 2021. These rewards can be used for health-related expenses such as copays, franchises, and more. My Health Pays® also allows members to set and achieve health goals at their own pace by providing seasonal suggestions for activities and guidance to help them stay on track. Online enrollment AssistanceA through magnolia Health's Ambetter website, people can browse and compare coverage options, determine their eligibility for financial subsidies, and sign up directly for coverage - all from one site. The platform is also built for mobile access, so people can sign up using their smartphones. If a person cannot complete registration at the same time, the system will save their progress and provide reminders to finish registration at their convenience. Access to TelehealthAmbetter Telehealth provides 24-hour convenient access to networked Ambetter healthcare providers for non-emergency health problems. With a \$0** copay, members can get medical advice, a diagnosis, or a prescription by phone or video, without having to leave home. The service also allows them to upload images that can support their medical consultation, and a summary of the visit can be shared with their primary care provider. Affordable and reliable coverageAmbetter of Magnolia Health provides coverage for all essential health benefits, including preventive and wellness services, maternity and baby care, pediatric services, mental health services, hospitalizations, prescription drug coverage, and more. Plans also include dental and vision coverage. Amid the COVID-19 pandemic, Ambetter, of Magnolia Health, also covers the cost of COVID-19 testing and the visit of the associated physician when medically appropriate. Magnolia Health has been serving Mississippi since 2011 and currently serves more than 300,000 members through its Medicaid, Medicare and Ambetter plans.
