My daughter looked like a celebrity in her blue dress. It is available in beautiful color options and we'll get more for it soon. The dress is beautiful, and that's exactly what I wanted. It fits perfectly and doesn't need any changes. At first I was nervous about ordering a dress online, but I'm so glad I contacted the seller because I got exactly what I wanted with perfect shape. I can't wait to wear it next year! Beautiful dress. The sleeves are too wide for my hands, but it's a small fix. I have a lot of compliments for this dress. I wore it to a reception. Fits exactly according to the measurement diagram. That's what makes buying so easy. I'll buy more dresses in the future! It's very beautiful. It fits as expected, I had to fold it. Because I'm 6'10. I ordered a size 14-16. Because I was a big pantsuit or a size 14. I had a personalized version of this skirt and it was lovely! I can't wait to wear the skirt. Thank you for doing this and it's a great job. I had ordered this dress before in the red color and loved it so much that I decided to order black as well. I got a lot of compliments when I wore it. Beautiful and flattering on different body types. Black is easier to wear, because red is a little thin and light. Great customer service in this store sent quickly. I would order again and still recommend despite the problem I had with the second dress. I'm extremely happy with my choice. I needed an elegant dress for my mother's wedding. We searched for a long time in different stores without winning anything. So I decided to order one online. I liked the style that helped me hide my imperfections. They are also fast and useful. I love that! Thank you very much for making this wonderful dress for me!! The size I ordered for this long dress turned out to be right. I was in constant contact with a customer service representative who was so friendly and helpful. It helped everything from item selection and size to payment tracking and order tracking and regularly informs me of the status of my order. The dress arrived to be beautiful and in the same color as I wanted. That's exactly what I wanted for our 25th birthday party. I would like to thank the seller for shipping so quickly. The dress is so comfortable to wear. I am also grateful to other buyers who have posted reviews. They helped me choose this dress for me. The dress is so beautiful that it is difficult to choose a color!! I can expect how beautiful the dress will be, I am very grateful and can't wait to wear them! Thank you!! It's a stunningly beautiful dress at a great price, but unfortunately for me it was a size too small and they don't offer it bigger or I would definitely buy it in a larger size to wear for my upcoming prom.
