The Maryland STEM Festival is a month-long celebration of the science, technology, engineering and mathematics that takes place every fall. The 2020 festival runs from October 2 to November 1, and is the theme of Manufacturing and Design. All events are virtual this year, and the national lineup includes comedy shows, musical performances, maths, trivia nights. The Prince George's County Memorial Library System prides itself on offering virtual STEM programs, specialized chemical activity sets (while kits last), and resources to learn about STEM subjects online. Participating organizations include NASA, Toyota, Rocket to Venus, Lockheed Martin, Northrop Grumman, University of Maryland, M&M; T Bank, Bowie Baysox and the Regional Manufacturing Institute of Maryland. Click here for the current list of Festival events across Maryland. Maryland.
