Have you seen this wizard printable

This Harry Potter party photo booth is easy diy quite simply to do with our printed ones found below. Or, if you want to cut corners, you can purchase this Sirius Black poster from Amazon and just cut a window and call it good. Make this amazing Harry Potter party photobooth about \$1 assuming you have a few basic things already. Here's what you'll need:Poster board (I got a foam board from a dollar store)A piece of black paper (to frame the window in the photobow)KlayNash free printed splenders (find the print files below)In order to get the words to print big enough for this Harry Potter party photobow I had to print and each word individually and cut them and stick them. I made another option for non-perfectionists and called it option 2. This prints the entire phrase you saw this wizard on one piece of paper. It won't be the right size, but if you just want to print one sheet and slap it, then there you go. The bottom half of the sign can be found on page 3 for printing. To get that one to look right, you'll need to cut off the two bottom lines that say: Immediately report the owl to the Ministry of Magic - The Department of The Benemokers of the Vienna. This whole phrase is designed to be one long line across the bottom, so you have to cut this out and stick them in one line. Print the page {Harry Potter Sign 1} here Print the {Harry Potter Sign 2} page here Print the {Harry Potter Sign 3} page here Print the {Harry Potter Sign 4} page here Print the {Harry Potter Sign 2} option here Prints from Paper Trail Design for personal use only. To assemble the boardcreate pages 1-4Devepe the window into the board. I used the game board to trace the window to cut and then used an exact knife to cut out the window. Cut out 3/4 inch strips of black paper and glue them around the windowDisize and collect words from printed boardsUsing the remaining piece out of the window to stick the Azkaban prison signYo can also purchase this poster of the film Sirius Black from Amazon and simply cut a window in the middle and stick it on the poster board. Or you can buy a poster and hang it as decoration!
