Page 5 is supported by SunTouch Plus Sky Effect™ Think about how good you feel outside the Cloudless blue sky. Feel this sparkle indoors with Nature Bright's SunTouch Plus! Harnessing the healing power of blue skies, this prescription strength light offers the most appropriate amount of blue light up to 17,000 kelvin and 10,000 Lux degrees. Clinically proven Sky Effect used in SunTouch Plus and other Nature Bright products™ technology is cool, safe and comfortable. Its bright light will be able to offer a feeling of treating well-being in any environment. Clinical studies have shown that by recalibrate the Circadian rhythm in your body - its temperature and hormone secretion for regular sleep pattern - with light therapy, mood and energy naturally revived in as few days. SunTouch Plus is an ideal solution for those who suffer from mood swings during and after pregnancy, loss of energy due to age, or a low mood as a result of Seasonal Emotion Disorder. So recalibrate your body's internal clock and get your energy back with SunTouch Plus. SunTouch Plus Negative Ionizer Every SunTouch Plus comes with built-in Negative Ionizer that emits odorless, tasteless, microscopic negative ions. These ions are found naturally in the air, especially after thunderstorms, near a waterfall, or near a forest, and research has shown that they can lift your spirits. Use sky effect™ and Negative Isolater at the same time and feel like you're sitting on the beach on a sunny day. Get your nature back with Nature Bright's SunTouch Plus. 05 05
