Publisher: Pantheon Release: 1997 Pages: 295 ISBN: 0679406417 Language: En, Es, Fr and Get BOOK On the occasion of the twenty-fifth anniversary of its first publication, here is the definitive edition of the book hailed as the most touching and successful account ever made about the Holocaust (Wall Street Journal) and the first masterpiece in the history of comics (The New Yorker). Pulitzer Prize-winning Maus tells the story of Vladek Spiegelman, a Jewish survivor of Hitler's Europe, and his son, a cartoonist who reconciles with his father's story. Maus approaches the unspeakable through the diminutive. Its form, the caricature (the Nazis are cats, the Jewish mice), shocks us with any lingering sense of familiarity and manages to get closer to the dark heart of the Holocaust (The New York Times). Maus is a haunting tale in a tale. Vladek's poignant story of survival is woven into the author's account of his tortured relationship with his aging father. In the context of the guilt brought by survival, they stage a normal life of small arguments and unhappy visits. This amazing account of the most macabre news of our century is a story of survival, not only of Vladek, but also of the children who survive even the survivors. Maus studies the bloody footprints of history and follows its meaning for all of us.
