Soul calibur android apk

Пришло время показать противнику свои возможности. Ибра SoulCalibur на андроид собдана длб тей, кто не лбит проибрбватй, и берет от бибни самое лубеее. Уже более десяти лет разработчики ведут активную разработку новых героев и миров, чтобы пользователи могли наслаждаться приятным досугом.Каждый новый персонаж обладает личными качествами и набором оружия. Чтобы стать победителем, найдите свой стиль борьбы, и побеждайте злостных противников. Все герои отличаются друг от друга не только оружием и ведением боя, но и внешностью. Создатели вложили очень много сил в этот аспект, чтобы максимально создать атмосферу реального поединка.Любая драка равносильна, но кто же победит – компьютер, или человек? Небависимо от тобо кто вай противник – женсина или муббина, покабите свои силй в увлекателбном бкбене SoulCalibur, и да прибудет с вами сила. SOULCALIBUR 1.0.5 FULL APK is perhaps the best fighting game you can find for the android platform, produced by the famous BANDAI NAMCO, which features action, adventure and fighting mix 3D graphics and realistic physics engine, Mortal Kombat is in the class of games like Street Fighter. Soulcalibur series was first released for the Dreamcast console in 1998 and continued to rise rapidly after its success and interest and we became playing their games on many platforms. In SOULCALIBUR it is quite easy to guide your character, as controls work with classic joystick logic. You choose your fighters from 19 different characters and start the fight for survival, choose the one that suits your style from different modes and enter the SOULCALIBUR universe. If you're done in Arcade mode, new characters will open. Eternal stories await you in the world of time, space and legendary warriors... SOULCALIBUR is 31.12TL in the Play Store. «Continued Game» SoulCalibur v1.0.15 FULL APK, the second topic of the day has recently become popular, produced by the world famous BANDAI NAMCO studio, which I think lovers of fighting games should definitely try Under normal circumstances, many players were deprived of SoulCalibur because they could be downloaded for a fee, so I would like to present it to you as FULL APK. In our game, which has 3D graphics and good sound quality, your goal is to fight against other fighters in any mode with the fighter character you have chosen. You may want to resemble it at TEKKEN or MORTAL COMBAT, which we recognize from console games. You can think of it as playing on psp, because the controls are provided by joystick logic. SOULCALIBUR has a history dating back to the 1998 century. The first sign-in date on the Android platform is 2013. SOULCALIBUR is $31.12 in the Play Store and has more than 3,800 downloads. «Continued Game» Info Download Size 4.7MB version 1.0.15 version Code 33 Lang af am ar bg ca cs de el en-GB en-IN es-US et-EE fa fr fr-CA hi hr hu-AM i it iw ja ka-GE km KH-ko lo lo-LA lt lv mn-MN ms-MY nb nl pl pt pt-BR pt-PT-PT ro ru sk sl sm sw th tl tr uk vi zh-CN-HK zh-TW zu allows WRITE_EXTERNAL_STORAGE READ_EXTERNAL_STORAGE MODIFY_AUDIO_SETTINGS INTERNET GET_ACCOUNTS CHECK_LICENSE WAKE_LOCK ACCESS_NETWORK_STATE ACCESS_WIFI_STATE Permission Text STORAGE: Allows a program to write to external memory.
