Download ... © 1996-2014, Amazon.com, Inc. or its affiliates is an international edition of Basic English Grammar. It won't be sold in the United States. The most reliable source of grammar in the world for clear, direct and comprehensive instruction, the Hazard-Hagen Grammar series - including basic English grammar - combines grammar instruction with communicative methods. Grammar is a springboard for the development of all language skills: speaking, listening, reading and writing. With clear, user-friendly diagrams and attractive interactive practice, it's easy to see why this classic series remains the best-selling text in its field year after year. The main diagrams and explanations of the Colliders are accompanied by easy-to-understand explanations and minimal terminology. Direct, in-depth grammatical practices/media use of grammatical forms and meanings. A variety of types of exercise including warm-up, reading, listening, understanding, completion, interview and writing. Comprehensive corpus-informed grammar syllabus/Written against conversational use in a formal and informal context. The teacher's guide includes step-by-step teaching suggestions for each chart, notes on key grammatical structures, and vocabulary and expansion. Test Bank offers additional quizzes, test chapters, mid-term and final exams, and Chart Book contains grammar charts. Teachers can use eText as a classroom presentation tool and ExamView software® to customize their tests. New major online resources include Student Book Audio, Student Book Answer Key, Grammar Coach Video, and Self-Assessment.
