All About Hadverbs: Describes how, when, and WhereAll About Adverbs: Describes how, when, and whereKids learn about adverbs in this worksheet that challenges you to identify the adverb in each sentence and then categorize them by describing how, when, or where.2nd gradeReading & Writing Today we learned about the mnemonic AAAWWUBBIS. This means As, Though, After, Until, When, Except, Because, before, if, and since. When you start a sentence with an AAAWWUBBIS word, you're probably going to need a comma. You simply need to listen to where the sentence needs to pause and insert a comma. Try this: Since 5. Where's the break? Right after the ticket word. Also AAAWWUBBIS (Ah-woo-bis) is kind of fun to shout when you write! Please sentence stem a sentence that begins with an AAAWWUBBIS. Type the sentence in your writing book. You can also post it as a comment on your blog. PLAN B Successful students are the ones who solve the problems they face every day. Today we were talking about the importance of Plan B - where appropriate. Advance problems before they appear - no printer ink, run out of paper, etc. What will be plan B for future projects/tasks? Recap We learned some great words today: Subordinating conjunction independent clause dependent clause Win a +1 If you sing the AAAWWUBBIS + Bar song with the parent and explain what A.... after A. although A. ... like W... while W ... when U. ... As long as B... Before B... Because I..... If S... because subject + Verb Okay, dependent or independent clauses need an object (noun) and predicate (verb). The theme is the noun that makes the main action in the sentence. Bob was crying. It's Bob. The predicative verb is crying. Independent clauses and contingent clauses can be independent (complete) or dependent (incomplete). If adding an AAAWWUBBIS word at the beginning of an independent clause, it becomes dependent. Ricky broke both legs = independent clauseWhen Ricky broke both legs = dependent clause In the comments section write a sentence containing an AAAWWUBBIS word, a contingent clause, a comma, and then an independent clause. AAAWWUBBIS + clause + comma + clause + period (total stop). Examples: If you don't understand the instructions, read them again. Before you write the sentence, you have to read other people's sentences. After reading them, you can try another AAAWWUBBIS word. While you may not understand all this, you can follow the examples. To learn how to use commas and other punctuation in confidence, you need a basic understanding of the sentence structure.
