ring size dictate many carat should be the diamond of the ring. That's a rumor, Lanore says. It's not real. Whatever you like to see when you look down every day, this is the right diamond size and shape for you. Borochov agrees, saying that some customers unnecessarily request smaller karate if their partners have small fingers. In the grand scheme of things, it simply depends on personal preferences. Carat size has no effect ring size affect the carat.
