Are Ukulele Instruments Good for Playing Christmas Carols? With its bright, cheerful and fun, light-hearted sound, I believe the ukulele is an excellent instrument for the festive Christmas season. Because these instruments are rather easy to learn, you can also spend time on vacation teaching your family and/or friends to play, and then you can strum and carols together. Ukuleles can also make great gifts because they are quite cheap and can be enjoyed by anyone who is quite a lot. Why do Tabs only use the bottom three straps? Ukulele tabs intended for re-ignition (high G) generally only use the bottom three strings to strum melodies. This is because the sequence G (above) is very close to the field to the ropes A and E, and so included in the tab is usually not safe. Now for other styles of ukulele play (finger style, fingernail-tukul, etc.), the top sequence is often used, albeit in the original ignition of participants. The ignition.
