How do you cancel your twitch prime free trial

×Sorry to cancel! CSS Error How-to-cancel-Twitch-Prime Hi guys! Want to know about a fantastic video game platform Twitch Prime? Then I'm here to tell you all about it. And if you want to cancel your subscription, you'll find the details for it also step by step in this article. First of all, let me explain some of the basic features of Twitch Prime to those new to this platform. Twitch Prime is the video game streaming premium service for Amazon Prime subscribers. Twitch offers streaming videos from broadcasters and also provides a chat room where users can interact with each other and broadcasters as well. Twitch Prime includes exclusive in-game content and bonus games, subscriptions to twitch prime channels at no extra cost. The service is available in the following countries: United Kingdom, USA, Mexico, Canada, Italy, France, Germany, Belgium, Austria, Spain, Japan, Netherlands, Luxembourg and Singapore.Amazon bought Twitch.tv in 2014 since Twitch is the royal company for live video game streaming. The collaboration between these two companies results in the Twitch Prime service, allowing users to take advantage of both Twitch and Amazon Prime. Twitch Prime launched in 2016.How to join Twitch Prime? If you have an Amazon Prime membership, go to your Twitch account and select the option to link both accounts to take advantage of some of the advanced features. If you're not an Amazon Prime member, you'll need to apply for it either from your Amazon account or from your Twitch account. And then connect both accounts to take advantage of the premium features while playing video games. What is Twitch Prime membership? Twitch Prime membership is a monthly payment to the individual channels on the Twitch streaming service, which helps streamers financially and allows them to stream content more frequently. How to cancel Twitch PrimeThere may be several reasons to cancel your Twitch Prime subscription. Please share your reason why it might be one of the following: You would only benefit from the free trial of one month. You don't think this is interesting or have a bad experience while playing? Do you have any financial reasons? Don't have enough time to play now? Do you have your games to play? You've searched for all the features that Twitch Prime had offered you and not got anything new now. Are you sure to cancel your Twitch Prime subscription? If so, then here's a step-by-step guide for you to help unsubscribe. So follow me to the end.1. Cancel your twitch Prime subscription with your Amazon Prime subscription If we cancel your Amazon Prime subscription directly, it will automatically cancel both Twitch Prime and Amazon Prime subscriptions. Follow these steps to do so:Sign in to your Amazon account. Hover over the upper-right corner of the page that says Account and Your Prime membership option in the drop-down menu. Cancel-your-twitch-PrimeNow on the left, look at the Cancel membership and benefits option. Click this option. The following screen appears for you. Click on Cancel membership.twitch Prime subscriptionNow the next 1-2 monitors will appear confirm you for cancellation of subscription. Click Continue to cancel each time. your subscription will be cancelled.2. Cancel your twitch Prime subscription just without canceling your Amazon Prime membershipIf you're an Amazon Prime member and want to cancel your Twitch subscription, then follow these steps: Sign in to your Twitch account. Click the My Profile icon. Click Settings from the menu as shown below: twitch-Prime-settingsClick the Connections tab on this page. Cancel your twitch Prime subscriptionClick the Disconnect button that appears in front of the Amazon section. If you unlink your Amazon and Twitch accounts, you'll lose access to some features like Cheering with Bits and Prime Gaming.twitch Prime subscriptionsAfter you disconnect from these accounts, your Twitch account will be automatically disabled after the renewal date is met. Method 1: To cancel your free membership, just wait for the end of the current 30-day membership period. After 30 days, your subscription expires. Method 2: Otherwise, you can follow these steps as well: Just click your Prime member account. Click End Trial and Benefits in the lower left corner. Select the End my benefits option. Select Continue to cancel or Keep my twitch Membership.Method 3: An alternative way you can also choose is to change your settings and select the option not renew your subscription. This automatically cancels your subscription after the free trial period ends. The following screen appears for you. You can choose one of the options for this cancellation: Don't renew your SubscriptionConclusionTwitch Prime is a perfect service for you if you love watching videos and playing video games. But many times more people face many problems while canceling their subscription. So in this article, I've explained how to cancel your Twitch account subscription step by step. Hopefully the problem will be solved here. And if you are still facing any problem, please share with me in the comments. Also, please let me know about the reason for this cancellation. So you have a Twitch Prime account or Twitch Prime free trial and you want to cancel? Look no further I have all the answers here. One thing I have to say first is that if you have an Amazon Prime account, this will involve cancelling it too, now that I got it out of the way can begin! First go to Amazon (link here)If you're not sure how long you've left on your free trial, go to Your Prime membershipOn the left side of screen, you'll see Cancel Membership and go through the steps you want to cancel your Prime membership. Make sure auto-renew is turned off! You don't want to wake up one day and see that accusation it happened to me, trust me! These are the instructions they are quite simple and should be easy to follow if you encounter any problems let us know! Getting Twitch Prime offers certain free benefits for players, including in-game items for Fortnite. It's an update to the subscription service Twitch Turbo, based on Amazon's Twitch.tv, and comes with ad-free viewing. The service can be free for all Amazon Prime and Prime Video members, but it's available to everyone. So how do you sign up? And if you don't want to keep it, how do

you cancel it? Amazon Prime is key to securing Twitch Prime, and it is available in the UK, US, Mexico, Canada, Italy, France, Germany, Belgium, Austria, Spain, Japan, the Netherlands, Luxembourg and Singapore. If you already have Amazon Prime, you just need to go to the Twitch Prime website and choose the option to connect your Amazon account to your Twitch account. If you don't have Prime but have an Amazon account, you'll need to sign in via Twitch Prime and choose to get Amazon Prime (there's a 30-day free trial available). Alternatively, if you're already a Twitch Turbo member, follow these steps: Avoid paying for the same services twice by opting out of Twitch Turbo Do this by going to Settings and going to Turbo Click the Do not renew option in the middle of the page, next to the billing plan On the next page that you want to cancel by clicking the Do not renew button Sign up for Turbo Prime using Amazon Prime if you live outside the 13 the countries listed above and you have Prime Video, you get Twitch Prime as part of the agreement at no additional cost. Everyone else needs Amazon Prime. You will need a valid credit or debit card to sign up for Amazon Prime, which will be charged after the end of the free trial period. How to cancel Twitch Prime One way to cancel Twitch Prime is to close your Amazon Prime account. How-to: Sign in to Amazon and click On Your Account Scroll down to Settings Click on Manage Prime Membership Select to cancel your membership You can cancel Twitch Primewithout canceling Amazon Prime to by going to your Twitch Prime settings here.
