Ipod touch engraving ideas

July 17, 2002 895 0 Bay of Fundy ok I want to buy my new iPod 4G today and I want to affect something nice about it. then post everything you've ever thought about putting on your iPod. this is wide open, so I want to hear them. here are some ideas floating with the epeopel that I have already asked for: iPod So I am 3.14159265358979 ... Don't take away my Turn Me Back Over NOW alligator cake!! Silverback of the Urban Jungle February 23, 2003 595 13 Australia I would advise you not to have it engraved if you really don't have a reason. It reduces the resale value and if you ever need to get it fixed it takes several weeks for Apple to return it. They don't fix the iPod but send a renovation to be ecided with the old message. 17 July 2002 895 0 Bay of Fundy I would advise you not to have it affected if you really have no reason for it.
