## Glastonbury public schools staff directory

Please see the links here for COVID-19 information and protocols from Glastonbury Public Schools. Note: At this time, in order to protect the health of all, visitors, including parents, will not be allowed in our school buildings unless absolutely necessary. If you need to visit, please call the office first to schedule an appointment. In addition, all visitors must wear a mask to protect the health of all. This time, we continue to operate our schools under the current Hybrid Plan B. There has been a noticeable increase in positive cases of COVID-19 in our state over the past few weeks. Glastonbury Public Schools have also seen an increase in cases in the past week. Contact monitoring continues to indicate that these exhibits occur outside of our schools. Contact monitoring also indicates that these cases are primarily the result of contact with household members as well as with extended family members (e.g., uncles, aunts, cousins) and friends visiting the home. Currently, the vast majority of the 40 students are the result of non-school activities, mainly youth sports groups. We ask that everyone be ready in case we decide to send a school or the entire district house to eLearning. It is possible that this decision will be made quickly, with little in advance. Again, we do not intend to move to Plan C (all eLearning) at the moment. We just want everyone to be ready. We are closely monitoring the spread of the virus in our state and in our community. We remain cautious and urge everyone to follow state guidelines for health practices, including wearing masks, washing hands, keeping socially distant, and limiting gatherings with those outside your household. The health and safety of students and staff remains our priority. Please visit our COVID-19 Resources/Dashboard page for more information. Glastonbury Public Schools are actively working to ensure fairness in our schools. Please visit our Equity and Social Justice web page for more information, including what we are doing to promote anti-prejudice and anti-racism work in our district. During the 2020-2021 school year, normal snow days will now be learning days in e. On bad weather days, students will connect with their teachers and home classes, using the Internet. We will notify families a day of learning in case of inclement weather as soon as possible so that they can be prepared. If there are widespread power and Internet outages that

affect teachers and students, we will not have a distance learning day. Instead, we will close the school for the day and it will be composed at the end of the school year (except for the elderly ghs). In-person extracurricular activities will be cancelled unless road conditions improve sufficiently to organize the event. The Glastonbury Board of Education is committed to implementing a policy of equal opportunity and affirmative action for all and does not discriminate in any employment practice, educational program or educational activity on the basis of race, creed, colour, national origin, religion, marital status, veteran status, civil air patrol status, sex, sexual orientation, gender identity or expression, disability, age or any other base prohibited by the State of Connecticut and/or federal law. More information is available on the Non-Discrimination Policy page. 330 Hubbard Street, Glastonbury, CT 06033Dr. Nancy Bean, Principal, (860) 652-7200 x7204Smith Middle School (Grades 7-8)216 Addison Road, Glastonbury, CT 06033Mr. James J.
