Dragon knight dota 2 sets

After years on the path of the legendary Elduurn, Knight Davien found himself facing a disappointing enemy: the fearsome Slerak had become ancient and fragile, his wings crumbled, his several remaining rocks shook with large-scale decay, his teeth grounded to nutras, and refractory gusts no more dangerous than a pack of wet sclera. Since there is no honor to be acquired in a murder dragon, Knight Davien prepares to turn around and let his old enemy die in peace. But a voice crept into his thoughts, and Slerak made a whispered plea for Davion to honor him with death in battle. Davien agreed, and it turned out that he was rewarded with the unenviable for his mercy: As he sank his blade into Orphan's chest, the dragon pierced Davion's throat with a talon. When their blood is kim, Sraak sends his power down the Blood Way, sending all his power and wisdom to the knight. The dragon's death sealed their relationship and the Dragon Knight was born.
