Review: Chris and Amy Creed Niles, Ohio writes: We took a group of graduating seniors to this property and thought it was stunning! My family's been renting in Sandbridge for over 40 years. We have stayed in many different places on the beach and in the bay. For a large group, Seahorse is certainly one of the best places we have stayed. It's two of them! 2 ovens, 2 ovens, etc. It was easy for our large group to cook every day and also clean easily. There's plenty of space and the place has everything you want for a week's entertainment. The pool and jacuer were clean, air conditioning ice cold! There's even a commercial ice machine. The surfing fishing was great, and was able to sit back and watch the sunrise and dolphins on one of the nice decks We will rent this property again! People who decided to stay by the pool can still see everyone in the ocean. That's nice. Would definitely stay again. Kathleen Prestipino, Dunkirk, MD writes: We stayed at A Seahorse Wish 6/18-25. As a big family, we couldn't have been happier with this house. The house definitely had everything we needed and more! Each room was decorated to perfection! The distance to the beach was ideal! We used both grills and loved the outdoor seating!! The cinema room was a hit with young and old. I would recommend a seahorse wish if you are looking for a large house with great views!
