The author of the Christian ministry does not support the purely technical study of the text, but gives a homeopathic and practical attitude. The best work on The Priscchi was K.H. Spurjan's verdict on that comment. As he explains the passage in his hand, he places other parts of the word in new lights. Carl Bridge (1794-1869) was one of the leaders of the evangelical party in the Church of England in the last century. He was vicar of Old Newton, Suffolk, from 1823 to 1849, and later to Weymouth and Hinton Martel in Dorset. Although the Christian Ministry is bridges' best literary work, its exhibitions, which include Ecclesiasty and Psalm 119, as well as Plyth, are highly prized. Favorite quote: While other parts of Scripture show us the glory of our higher calling; [proverbs] can instruct in a minute of detail how to walk worthy of it... we see the minute of our Christian duties; that there is no temper, no sight, no word, no movement, the most important act of the day, the least relative obligation in which we disobey or decorate the image of our Lord and the profession of His name.1 Yet Jan 28, 2017 Sarah Ashwood appreciated it as incredibly the best spiritual book I have ever read besides the Bible. Simple, easy to understand, practical and still deep. I can't recommend this book enough. I think every Christian should read it and own it. Aug 09, 2020 Lynn Fucci rated it it amazing It's one of the best comments I've ever read. The author is very good at using biblical principles to help the reader gain a greater understanding of a passage. It makes one think deeply about the verse and the consequences for the heart. It will also improve a person's vocabulary! Sep 18, 2014 Mika Lug appreciated it really liked it Bridges comment on Prithchi's rich exploration.
