Forums Dev Take part in the biggest tournament of all time with the Avatar: Arena game! You must compete against representatives of the water tribe, the earth, the fire nation, and the air nomads. Remember that everyone is more than prepared for this challenge. Are you in? Defeat all your opponents and not only win the highest score, but will also be remembered as the best of the best! You should be better prepared, because a long, hard fight awaits you. How to make the game the famous mastery is judged by the almighty Kyoshi, Avatar of the Earth. The main goal of the game is to beat all 20 Bend Masters in two rounds and become the ultimate Bender! You will see many names, such as Nomis, Wild Haggis or Galtor. The first step you need to follow is to select the item you want to use - Earth, Water, Air, or Fire. If it helps you with anything, the only female character is the waterbender. Next, you can customize his or her clothes, more precisely their head, arms, top clothes and pants, while maintaining the representative colors. Now that you've created your hero, it's time for you to get rid of it! We recommend that you first try training where you practice bending skills by breaking a stone statue. If you feel ready, you can finally go to the tournament. You will face your opponents one after the other, from the least powerful to the best. Beat them when they least expect it! To control your character, use the left and right arrow keys to move backwards and forwards, and press the space bar to attack. There is also a unique and powerful train, the Chi Attack. You can use it by holding down and then continuously clicking the space bar to fill the Chi bar. Although these are moves that any Bender can use, all Bender element have specific combo moves that are displayed before the start of the first game. For example, water masters can try the following combination for a special attack: down arrow key, left arrow key, space bar. As far as defense is concerned, the default move is done by pressing the left button. Once you manage to be at the top, you can take a look at the high score list and compare your results with the rest of the players. But if you've lost a game on the way there, don't worry! You can deny it if you want. Defeat all 20 Bendmasters to impress Kyoshi and become the winner of the big tournament among all Four Nations! and Statistics Arena is an excellent avatar game that you can play on NuMuKi for free.
