Club penguin mission 5 guide

Here are step-by-step instructions to complete Mission 5: The secret of fur on penguin club. Mission 5: Mystery Fur 1. Talk to Gary Guy Gadget. You are asked to take a look at the Furensic 3000 analyzer. 2. Click Furensic 3000 analyzer. You see a bit of puffy fur stuck in the analyst. 3. From your spy phone, take the comb and use it to unscrew puffle fur so you can feed into the machine. Analyzer matches fur to pink puff. 4. Now, G asks you to clear the fur found in Mission 3. 5. Take the fur from the hand of G, and put it in the analyzer. The analyst reports is an unknown sample but able to identify the material on the fur. The analyst then finds the effects of hot chocolate, hot sauce and jet fuel on an unknown fur sample. 6. G tells you to find larger samples of items on the fur so he can use them to calibrate his special glasses. 7. Before you leave, go to the other side of the tool room, grab the AC 1000 from the form shelf, and put it in your inventory. You need it in a little 8. Now, go to the city's hot chocolate café. You find a mess in the shop. 9. Ask the barista behind the counter what happened. He tells you something big, weird and angry he saw. Draw a picture of her and show you 10. Click the drawing he puts on the counter to see the monster. 11. Talk to Barista again and ask him for some hot chocolate. 12. Tell you he can't make you a cup: the hot chocolate shop machine is broken. 13. Click the hot chocolate machine behind barista. 14. In your inventory, click your spy phone and grab your wrench. 15. Use a wrench on the milk hose on the left to reattach it to the machine. 16. Put your wrench away and click the cold/hot dial on the right side of the machine to move the dial from cold to hot. 17. Take the mug from the top of the machine, and place it under a hot chocolate faucet. 18. Press the hot chocolate button and discover that you need chocolate sauce. 19. Head to the pizza shop in Plaza. It's a mess too! 20. Ask the pizza chef what happened. You say he also saw a really hairy lobster 21. Ask him if you can take a sample of hot sauce and chocolate sauce. 22. Put the sauces in your inventory. 23. While you are in a pizza shop, ask the chef if you can give him a hand with anything. You are asked to deliver a pizza to the fishing penguin behind the ski lodge. 24. Take the pizza box from the counter, and put it in your inventory. 25. Go to ski lodge in ski village, head outside the back door of the inn, deliver pizza to the fishing penguin behind the lodge. 26. Back to the café. 27. Click hot chocolate machine. 28. We miss Little Mission 6: Questions for Mission Crab 7: The Secret Repair Hour Share of Fur is psa's fifth mission. In previous missions, PSA found white fur, and now it's time to discover which fur it is. Go around talking to G – then click the Furensic 3000 analyzer. Use a comb of spy phone to make fur go to the machine. Talk to G again – now analyze the fur from the last task. Go to the pizzeria - talk to the chef. Ask him if it's ok for you to take some hot sauce and chocolate sauce. Ask him again if he needs any help - he will tell you what pizza can you need to deliver. Take the pizza box to the penguin who is fishing ice. Go to the café and talk to the barista and ask for his coffee machine to be repaired. Click on the coffee machine and use the wrench of the spy phone to pull out the pipe. Pick up the cup and place it under a hot chocolate click, then place the chocolate sauce in the hole at the top. Then take the cup and put it in your inventory. Talk to the Barista again. Go to the lighthouse and talk to the penguins on the stairs – go to the lighthouse and you'll see a jet pack fuel pack on the balloon. Go to headquarters and to the tool room and pick up ac1000. Use it to blow up the jet pack fuel towards the Bacon – then use the scissors of your spy phone to cut the balloon off. Put it in your inventory, go back to the tool room and talk to G. Put all the items in your device. Put goggles on and go to the lighthouse – pick up a mesh and some rope. Combine them together and go to the ski lodge. Pick up the candle and talk to the penguin under the couch. Go outside again, then put the trap on the floor with the candle in it. I'll then. Crab. The other creature has escaped and left more fur behind and put it in your stock go to G and give him crab and then put the white fur in the 3000 forensic analyzer, and I will tell you about the polar bear. Congratulations! Complete task 5, claim your gift and reward! In Herbert's Revenge Tour at the beginning of the mission, you are in the front command room, receiving orders from the manager, who tells you that Gary has made improvements to the coach's leadership. Your first task is to question both Herbert P. Pere's previous activities. The manager tells you improvements to a driving instructor called a virtual reality training program. From this point forward, the mission is the same online version, except: stage at the Plaza as if the stage was around in March 2006. You should use Mechano-Duster to clean the hot sauce in a pizzeria before you can get hot sauce and chocolate sauce. Delivering a pizza box to the penguin at Ski Lodge is also optional. You should use Mechano-Duster again to clean some chocolate spilled before Café Barista Café lets you use the coffee machine. There is a snake symbol hidden in snow forts. You should wear goggles, which reveal a jackhammer hidden in the snow. You should then lift the pop up the snow. Grab the Jackhammer and play optionally the game Jackhammer. You can then get a snake code. After you finish this task, you will receive ski glasses. Trivia this task marks the first appearance of Herbert B. Beer.
