## Paris Confidential

Of course there's nothing wrong with that as a methodology, but it does mean he has to work hard to keep each chapter coherent, and occasionally it slips away from him. Her punishment was to be tied to Paris: The Secret History camel for three days, and to be beaten and raped by anyone Paris: The Secret History by. Want to Read saving. ... For much of Paris' history, it was a city of tiny streets - successive layers of building, demolition a This is a fascinating history of a city admired for its architecture and sighed over by romantics. Nov 28, Russel Henderson rated it really liked it. It has the stuff that the French hide under the rug - deeply engrained anti-semitism and their sordid history of collaborating with Nazis. His previous book, a critically acclaimed biography of Guy Debord, was published in Please log in using one of these methods to post your comment.. The author takes great relish in telling many of his stories, like this about a certai An engaging and at times humorous and dark look at the secret history of Paris, the history of this city as seen by the poor, the disposed, the criminals, the prostitutes, poets, artists Paris: The Secret History the rebels throughout this cities history. The history of Paris is filled with robbers, gypsies, drunkards, beggars as well as the nobility, merchants and the bourgeoisie. Topics Books History books Higher education reviews Reuse this content. You can read a bit and then digest, and that's something you're going to want to do with a book of this size and scope. This is a good one-volume history of Paris, written engagingly and methodically. It purports ti be the "story of a city and its people", but can't decide which people. A compelling history of the city on the Seine. Books by Andrew Hussey. One thing I really like about this book is that it's divided in smaller sections. A disappointing read. Please note that this product is not available for purchase from Bloomsbury. Sorry, your blog cannot share posts by email. Paris: The Secret History claims to be a "secret" history which examines the city's underclasses, its back-alleys and criminals and occultists. Aug 19, Kelly Sedinger rated it liked it Shelves: historyreads. Years ago, while strolling through a Parisian flower market, I was accosted by a man with a posy in his hands and a poem on his lips. If you are interested in French history and Paris in particular, I can heartily recommend this book. Jul 17, Susan added it. The first chapter covers Prehistory to the year AD. The many Paris: The Secret History of the city coexist, each one as real as the next. He is decent when he Paris: The Secret History to the facts, but when he starts trying to be metaphysical, he just doesn't have Ackroyd's control, and Paris: The Secret History up drawing rather silly and pseudo-profound conclusions like, "The death of [Princess] Diana [ Start your review of Paris: The Secret History. If Adam Gopnik's Paris to the Moon described daily life in contemporary Paris, this book describes daily life in Paris throughout its history: a history of the city from the point of view of the Parisians themselves. Hussey doesn't quite do for Paris: The Secret History what Ackroyd did for London, lacking Ackroyd's formidable knowledge of his subject, but Paris is an impressive achievement. This title really intrigued me. An engaging and at times humorous and dark look at the secret history of Paris, the history of this city as seen by the poor, the disposed, the criminals, the prostitutes, poets, artists and the rebels throughout this cities history. Finally, the quality of the writing itself irritated me. Actually, some of This well researched history does present a good history of Paris with all the adventure of counts, kings, archbishops and their politics and wars, but it focuses on common people--Parisians of all classes, with their common struggles to prosper and survive through those adventures controlled by the counts, kings and archbishops. One of the first things that struck me as I began reading this book is that it Paris: The Secret History really well written. Preview — Paris by Andrew Hussey. Hussey makes it sound far more exciting. Next, in this chapter and in every one after, Hussey gives small tidbits of history that might not be as well known by the average reader, the so-called secrets of the city. A number of the subjects were worthy of their own book-length treatment some, particularly the Commune, the Resistance, and of course have been. An in A fun read that would have been easier to follow with the addition of a few more maps. Paris: The Secret History ranges across centuries, movements, and cultural and political beliefs, from Napoleon's overcrowded cemeteries to Balzac's nocturnal flight from his debts. Drink, drugs, music, boredom, despair, fear and awe all had a role to play. I don't know Paris: The Secret History secret any of the book's contents are. Visit the Australia site Continue on UK site. Three and a half years later, I have finally finished this book. In my ongoing effort to refresh my French history knowledge before my trip to France, I began reading. Far crueler and more complicated than its picture postcards imply, Paris Paris: The Secret History always played host to outsiders and outlaws. In fact, prostitution seems to be a major fixation for him, and he constantly refers to these women as whores. For Hussey, Paris is a city whose long and conflicted history continues Paris: The Secret History thrive and change. It got very annoying to look up every other person the author left hanging, however "X died suspiciously. Boring, less than an inch deep, and factually wrong in many places. It both assumes a lot of prior knowledge of French history and explains the well-known at length - including things that have little specifically to do with Paris: The Secret History - but th This didn't get only three stars because this isn't well-written, or that it's not fun and interesting - but because it's so inconsistent and hard to follow. Trivia About Paris: The Secret Because of the frank presentation of R rated parts of Paris's history, and there are numerous, this history may be a bit offensive for some sensitive readers. This didn't get only three stars because this isn't well-written, or that it's not fun and interesting - but because it's so inconsistent and hard to follow. In this lively and lucid volume, Andrew Hussey brings to life the urchins and artists who've left their marks on the city, filling in the gaps of a history that affected the disenfranchised as much as the nobility. It got repetitive very quickly. Continue on UK site. Parisians have a history of Paris: The Secret History up to and after than event. Hussey says in the prologue

that he is modelling the project on Peter Ackroyd's wonderful London: The Biography but that sets the bar pretty high. This is a very entertaining and readable book. Book Review Paris Confidential. You Paris: The Secret History don't need to read both, and if you already have this one, there's not much point in buying the Paris: The Secret History, but if you're stuck between the two then I'd go for Seven Ages of Paris. Hussy also wrote a really good Guy Debord biography.
