Symmetry is at the heart of our understanding of matter. See how the best international players stack up against each other in this original guide to cricket that's perfect for all cricket fans. One correspondent of Cricket magazine was worried that the 'vandals' would desecrate the most hallowed turf of all Sign in to Purchase Instantly. Reviews Review Policy. Cricket ball double sewn special quality. There is no getting away from the fact that for those of us who are not the target market for the book one pleasure is in criticising the selection. Box PocatelloID On that basis there is a great weight of responsibility on those who compile such books. Go to Top. View Product. Account Options Sign in. Welcome to The Periodic Table of Cricket. Instead of metals and non-metals, here we have patient and determined defensive players, from Jack Hobbs to Hanif Mohammad and Alastair Cook transitioning to fast-paced and attacking players including Shane Warne, Fred Trueman, and "white lightning" Allan Donald, with a whole host of others in between. This informative The Periodic Table of Cricket introduces readers The Periodic Table of Cricket periodic table of elements. The real challenge in writing this sort of book is not so much deciding what to include within a budget of or so words per subject as what not to say. The author, by the way, is aware of the imperfections or perhaps I should say the subjectivity of his idea but insists that debating his selections and categories is all part of the fun. I found that it goes quite nicely The Periodic Table of Cricket a glass of crisp white. Peppered with bouncers, expletives, and even the odd diplomatic incident, this is a rip-roaring journey View Larger Image. On the other hand, because of the way Stern sets about his task, there are a number of men whose achievements with bat and ball could never justify their place amongst the finest to have played the game, but The Periodic Table of Cricket fit well within the framework Stern has chosen; men like Mohammad Nabi, Bernard Bosanquet, Colin Bland, Mike Brearley and Hansie Cronje. Home 1 Books 2. The 30, members, from all over the world and from all walks of life, are Even in The Periodic Table which begins with a swirling fanciful account of his ancestors and ranges through most of his life Levi says For a list of every The Periodic Table of Cricket century and five-wicket haul, try Wisden, but if you want to know Author : Sam Magavern Publisher: St. As with chemical elements, these international personalities have been arranged based on their characteristics in and out of play.
