## The Flight of the Intellectuals

I don't always agree with him and sometimes I saw shadows of hyperbole, but he makes a compelling case for his p. Average rating 4. Share via. Want to Read Currently Reading Read. More Details Indeed, Ramadan hosts a talk show with the rather bloodless title Islam and Life on the Iranian propaganda channel PressTV and retains enormous influence in the Islamic world based on both the volume of his scholarship and his clan affiliation his grandfather Hassan al-Banna founded the Muslim Brotherhood; his father, Said Ramadan, was a well-known Egyptian Islamista, therefore, in a unique position to influence Muslim public opinion. Insanely well-written piece of polemicism. He has reported at length The Flight of the Intellectuals Europe and Latin America. If Ramadan is no The Flight of the Intellectuals, then what explains his phalanx of left-wing supporters? For Benda, the intellectual betrays his vocation when he compromises his commitment to universalist values. Currently he is a senior fellow at the World Policy Institute, a professor of journalism and distinguished writer in residence at New York University, and a member of the editorial board of Dissent. Sep 29, Prithvi Shams rated it liked it. As Berman demonstrates repeatedly, the moderate mask periodically slips, as it did when Ramadan, during a televised debate with then Interior Minister Nicolas Sarkozy, was asked to clarify his view on the stoning of supposedly adulterous women like Sakineh Mohammadi Ashtiani. If their oft-stated intentions are truly benign and benevolent, then it is time for a greater level of intellectual honesty, not to mention courage, on all sides. Berman doesn't himself join the ranks of the existentially condemned. Ramadan, a professor at Oxford, was recently permitted to enter the United States after being barred for six years under the Patriot Act. Oct 19, Andrea Collins rated it it was amazing. Further, his language of accommodation, his project of defining a minority Islam at peace within liberal democracy, emerges as somewhat phony, the more hard-line stance that he advocates from time to time more accurately reflecting his true views. Enjoy lol. Mar 17, Brian rated it it was amazing. Not bad. Feb 18, Melville House Publishing rated it it was amazing Shelves: non-fiction. Berman received his undergraduate education The Flight of the Intellectuals Columbia University, from which he graduated in with a BA and MA in American history. Very detailed and well researched. Berman received a B. His litany of charges against the elusive Mr. Berman shows us, in excruciating detail, how Ramadan's life and work is part of a constellation of Islamic philosophers, theologians and politicians, that includes his grandfather Hassan al-Banna founder of the Muslim Brotherhood, which is known as Hamas in Palestine Yusuf al-Qaradawi, his The Flight of the Intellectuals Said Ramadan, and the unprosecuted Nazi war criminal Amin al-Husayni. Other editions. And the West, better intellectuals. This duplicity is now well documented. It takes a brave person like Paul Berman to objectively analyze the current intellectual atmosphere, and bring to focus its critical flaws. However, I will say nothing on the matter. Finally, Mr. The only flaw is that the author does not use references as footnotes to each claim, but often just cites the reference in the main text and I did not know what to expect when I started reading this book, except that it was about Islamism and Western intellectuals' reactions to it. If ambiguity is your shield, you've got nothing to defend. Unfortunately, things have gotten far worse since the book was published about 10 years ago with the only The Flight of the Intellectuals of good news being that Ramadan is currently locked up in a Paris prison cell. Forgot your password? Copy Copied. In short, Berman finds the widespread admiration of Ramadan to be misplaced. Related Articles. Twenty years after a death sentence was laid upon Salman Rushdie's head, an entire class of thinkers and writers who have dared to speak out on the threats of Islamic fascism The Flight of the Intellectuals themselves living in safe houses and traveling with a small cadre of bodyguards, in genuine fear for their lives. Copy Link. It came across, at first, a hit piece on Tariq Ramadan a person I am unfamiliar with, which is understandable as he is a primarily writes in French. Berman has been taken to task by the predictable array of liberal critics who simply refuse to wag an accusatory finger The Flight of the Intellectuals the face of Islam. Sarkozy wanted Ramadan to disavow the views of his Islamist brother Hani Ramadan, head of the Geneva Islamic Center, who had recently written an opinion piece for Le Monde arguing in defense of stoning. Frankly anyone espousing violence against the non-believers is suspect to me and deserves to have the baleful eye of the world and civilization turned upon them with scorn! The review of this book by a Kurdish professor - quoted extensively in the Afterword - is remarkably apposite today. In examining Hassan al-Banna, the founder of the Muslim Brotherhood, The Flight of the Intellectuals shows the rise of an The Flight of the Intellectuals and often violent worldview, elements of which survives today in the brigades of al-Qaeda and Hamas. He does this by examining the treatment meted out to Tariq Ramadan by the intelligentsia. This is understandable, as Ramadan sounds like first-rate jerk and complete nut-job. He discusses the rise of Hassan-al-Banna and his Muslim Brotherhood, the heritage that the famed apologist Tariq Ramadan the protagonist of the book, by the way looks up to, the discomfiting alliance between the Islamists and the Nazis united by their shared conception of the Jews as some cosmic evil which wants to wipe out everybody else and last but not least, a tendency among certain liberal European intellectuals to downplay the threat of political Islam and demonize anyone who dares to point out this threat at the expense of their lives. It's not until the last 50 pages that you get an analysis of the "flight of the intellectuals. Email address. Aug 16, Robert rated it really liked it Shelves: modern-politics-and-world-affairs. However, this specific point leads the reader to other ideas that Ramadan similarly seems to have disregarded, or phrased in

ambiguous terms. Rating details. His discussion on the disgraceful treatment of Ayaan Hirsi Ali by the so called "liberal left" is both troubling and enlightening. This is a fantastic read. Berman pursue his philosophical prey is a bit like playing an academic version of a first-person-shooter video game: Modern The Flight of the Intellectuals Bandit Pundit Edition. View 1 comment. I have yet to read as in-depth an analysis The Flight of the Intellectuals Berman offers from many other writers or reporters. Short book, well worth the read. The Flight of the Intellectuals was borne out of a staggeringly long essay in the New Republic and the reader is left wondering if this longer rendering added much to the original indictment against Ramadan. Mar 19, Slayerjacket rated it really liked it. Noam Chomsky Jerry Falwell. I did not know what to expect when I started reading this book, except that it was about Islamism and Western intellectuals' reactions to it. He is literally just discrediting everything Tariq Ramadan is trying to do to solve the problem, which makes the problem worse! It is for that reason, being an obvious attack on Mr.
