Nov 12, Khai rated it it was amazing Shelves: want-to-ownbooks-to-re-readfavorites. Her: Yesee. An activity for the children will be writing a week journal themselves, monitor what they have done during the week even though it might be simple words. Readers also enjoyed. No, no, no. Jackie French. I was very impressed by this, back in Grade 6, and I've never forgotten it. A charming and very single-minded wombat Diary of a Wombat a lovely home with some new neighbors, and teaches them to give him carrots. I love this book, it's such a simple and fun insight into the life of a wombat. So much of Diary of a Diary of a Wombat rings true because of their stories - anyone who's had a "pet" wombat would no doubt agree I'm sure the author has had one too at some stage. She has also adapted Sprung! Whoop Whoop. Get A Copy. I really like this book and I can see many way that can be incorporated in students learning. Bruce Whatley. As long as they Diary of a Wombat happening to someone else. She is regarded as one of Australia's most popular chi More about Jackie French. A couple of stories have always stuck with me: it took an aversion to one of their friends and had to be shut away when she visited; it really would scratch holes right through doors; and it once fell asleep behind a tyre Diary of a Wombat my uncle's car without anyone knowing it was there - when he backed out he ran over the wombat, but because of that hard plate on its back I was telling you about, it was fine, just got up and waddled away. This wombat leads a very busy and demanding life. Bryony Anderson is a designer, maker, artist and wannabe scientist based in the forested hills of NSW. I LOVE wombats! Meet Mothball, the naughtiest wombat Diary of a Wombat Australia. The artwork and writing quality is otherwise okay, likely to get a 4-star f This seems like somewhat of a nitpicking thing to have a problem with for this book, but I was very disappointed that an animal taking food from humans was played off as a joke, with no rehabilitation at the end. Need another excuse to treat yourself to a new book this week? The artwork and writing quality is otherwise okay, likely to get a 4-star from me, but I had to knock it down for the bad impressions it could give about how to handle wildlife. Pretty cool huh? Forget Rio and the Olympic Games in ; for us it will be about a wombat A thoroughly good book. Wombats are lazy animals - cousin to the koala, which is only awake for about 45 mins a day - and oh so adorable. Then, a Goodreads friend alerted me to this book — and I simp I first encountered wombats when I went to the Olympics in Sydney in
