

WRESTLING FOR MY LIFE: THE LEGEND, THE REALITY, AND THE FAITH OF A WWE SUPERSTAR FREE DOWNLOAD

Shawn Michaels, David Thomas | 176 pages | 02 Oct 2015 | ZONDERVAN | 9780310340782 | English | Grand Rapids, United States

Wrestling for My Life

More content would've made this an excellent book instead of a good book but ultimately it's hard to stay indifferent and not to be touched by Michaels words and story. I may not share all of the beliefs that Shawn talks about in this book, but I always judge a book on how well it written, how well it conveys its message and how captivating the story is, rather than letting my personal beliefs get in the way. As a long time Wrestling fan, now at the age of 42, I have seen my fair share of matters. It is a story of how a company made in the image of an intuitively brilliant risk-taker betrayed its original promise. By: Peter Thomas Fornatale and others. Hector He is very honest when telling his story and earnestly cares about being a man of God. And the Faith of a WWE Superstar cannot recommend this book strongly enough. I thought it was interesting how Shawn described being born-again and the changes that came to his in-ring persona because of it. He is very thankful for how much wrestling allowed him to express his faith. No default payment method selected. He will tell you this pretty much every page of this. The wrestling content in this book is Wrestling for My Life: The Legend. A must read! Amazon Customer Also, a religious friend challenged his compromise to say the word "damn" the Reality a performance. It's ok but not really worth the money or a credit. Ever since Michaels became a Christian, he's been living a quiet and scandal-free life, which is not always the case with TV personalities who claim to have found Christ in their lives. It was interesting to hear but was an effort to get through for some reason. In Positively Unstoppable he brings his the Reality of what really moves people to change and own their lives. Not only to Christians but to people at rockbottom praying for a 2nd chance and finding Jesus to heal any insecurities. The Reality love Biographies, Autobiographies, and Memoirs. Shawn Michaels has lived life two different ways, and will be the first to say that his second way of living has been the best. I was astounded when I read this account. I the Reality reading the stories that wrestlers tell about behind the scenes, and Michaels has some good ones throughout this book. This is the kind of book that will make you Wrestling for My Life: The Legend to be a better man, and not in the whole bible bashing way Didn't know his Wrestling for My Life: The Legend was about him becoming 'Christian' again; which kinda related to my journey in discovering my own 'Deen'. I have no problem with people discovering religion, without it Shawn probably wouldn't be alive today so it's good to see him embrace it. And no one expected that he would ever return. If you can't find any other way then please don't pay full price for it, I'm sure it'll turn up in charity shops or nice and cheap on Amazon. It's only the second book I've read that I actually abandoned reading. Shawn Wrestling for My Life: The Legend very open about how he acted in his pre-Christian days, how he was perceived and how it has changed his life. It seems that no matter what he accomplished in his wrestling comeback; the Montreal Screwjob still hung over his head. Shawn lets you know from the beginning that this is more of a book about his Faith. The reader was very good but It would have been preferable if the author had read it himself as it was obvious in certain places that the reader wasn't familiar with the subject. Anyway this book was great. I wanted to read about this change from Shawn Michaels himself. He adopted a new set of priorities, and wrestling was no longer the number one thing in his life. His job was to make Hogan look as good as well as himself and he couldn't do it. Readers also enjoyed. Life Changing This book was simply amazing. Aug 26, Dan Diskey rated it really liked it. He talks about how wrestling was his number one priority until he found his wife Rebecca and Christianity. It was Steve's ability inside the ring and his quick-witted responses that lead to his becoming one of the most popular WWE Superstars of all time. By: Justin Roberts and others. Included are some never-before-shared stories and an intimate look into his career as the Reality as stories of hunting, family, and faith. The life he had before Christ, and after Christ. But, in the end, it's only a show. It ends up being very thin and brief about pages. While I don't agree with all the moves he has made after becoming a Christian, I do like what he said about each of us having different ministries on this planet. From playing with action figures of the Ultimate Warrior, the Heartbreak Kid Shawn Michaels, Bret Hitman Hart and Hulk Hogan to actually announcing these larger-than-life characters to the ring, Roberts lived out the dream of countless, passionate wrestling fans worldwide. It's nice to read a book by someone who is honest but not preachy.
