Crooked Cucumber : The Life and Zen Teaching of Shunryu Suzuki by David Chadwick (1999, Hardcover)

The only thing left to say at the end was that Suzuki-Roshi was a good man. Shelve Born in Tibet. If I moved too quickly they would kick the bucket over. Between the red-lettered title and author's name was the subtitle, Informal talks on Zen meditation and practice. Getting a feel for what it was like as Zen was just taking off in America was quite fascinating, and Suzuki-Roshi was a big part of firmly establishing the practice of Zen in America. Based on breakthrough studies, Cohen's program reveals how people with diabetes can reduce their need for prescription medication and minimize the disease's effect on the body. New sections and files were added frequently through the years, mainly Zen related such as Interviews and Lectures - and lots of other material. In this very readable biography, a noted scholar traces Erasmus's Crooked Cucumber: The Life and Teaching of Shunryu Suzuki, his years as an itinerant scholar, sojourns in England, France, Switzerland, and Italy, friendship with Sir Thomas More, and di... More. The Zen Teaching of Bodhidharma by Bodhidharma. At this point, however, I express my true power. For each case there should be a special remedy. Particularly influential were several books on Zen and Buddhism by Alan Watts. It's eye opening to read biography for this reason: helps break up the myths we carry about our teachers. Fujita pointed out that Hoitsu Suzuki said it had been Crooked Cucumber: The Life and Teaching of Shunryu Suzuki. Readers also enjoyed. Until I read this, I never understood the connection between Trungpa and Suzuki, or why Naropa's contemplative practices, ostensibly Tibetan, are actually vastly more Zen. On January 22, So-on retired as abbot of Zoun-in and installed Shunryu as its 28th abbot. Please help improve this section by adding citations to reliable sources. When Suzuki turned 13, on May 18, So-on ordained him as a novice monk unsui. In Shunryu enrolled in a Soto preparatory school in Tokyo [4] not far from Shogan-ji, where he lived on the school grounds in the dorm. Bowing is a very good practice, and after sitting we feel very good when we bow. It provides courage to deal with everything that crosses one's path. Suzuki always wanted to teach his Crooked Cucumber: The Life and Teaching of Shunryu Suzuki to the western mind and even though he clearly took the opportunity to go Crooked Cucumber: The Life and Teaching of Shunryu Suzuki San Francisco to do this when he got there his essential activity was to do no more than he did in his small town in Japan. An educational and fascinating glimpse into some of the history of religion in Japan, especially Buddhism, specifically Zen, and what it was like to grow up and live in Zen monasteries as a monk in the early to mid 20th century. Also interspersed with previously unpublished passages from Suzuki's talks, Crooked Cucumber evokes an inspired, down-to-earth life. The magnanimous mind is as big as a mountain and as wide as an ocean. Not Always So is based on Shunryu Suzuki's lectures and is framed in his own inimitable, allusive, paradoxical style, rich with unexpected and off-centre insights. Only by seeing and hearing Suzuki will a person be able to understand why so many people in the US finally understood Zen. On July 9, Mike called Suzuki at Sokoji and told him that Trudy had just died in the hospital—too quickly for Suzuki to have gotten there. Enlarge cover. He is said to have been the first Soto Zen master to have come from Japan to teach in America and start a monastery, which is Tassajara. I think it comes down to the concept of bhakti-- religious devotion. Everybody is aware, all seven billion of us. In contrast, Zen enlightenment is achieved by slowly stripping away the ego through deliberate practice, and the only way to do this is to get rid of all gaining ideas-- if you believe in miracles, and enlightenment, and something "special"-- you inevitably remain attached to that goal and your ego. He reinstated zazen as the rightful keystone of the zendo. Full of detail of the life of the founder of the San Francisco Zen Center. This is a mysterious thing, you know, the mystery of life. Shunryu Suzuki not to be confused with the great monk and scholar D. He wanted people to learn things for themselves in their own time. You should not throw anything away! In his book, Yogananda extols miracle after miracle-- stories of sages apparating and transporting themselves to different time periods and places astral projection ; priests who go years without eating, their only form of sustenance their extreme devotion to God; divine interventions and visions that present themselves to him because of his sheer overwhelming love for the "Divine Mother"; gurus wrestling and conquering tigers Crooked Cucumber: The Life and Teaching of Shunryu Suzuki bears; holy men literally conjuring feasts out of thin air. Shambhala Sun Foundation. In the picture he looks mischievous and has a twinkle in his eye. Jan 17, John Stepper rated it really liked it. It was only after Suzuki came to America well into adulthood that he began to amass a following of serious students in the west. See details. He would Crooked Cucumber: The Life and Teaching of Shunryu Suzuki extras, and when he had a good load he would walk five miles to Ohisa City to sell them. I am not normally a consumer of biographies but this is one I wanted to read. Suzuki was taken aback by the Americanized and watered-down Buddhism practiced at the temple, mostly by older immigrant Japanese. All that you have done in this life and in your past lives became meaningful in the. Just before the ceremony marking their departure Suzuki went to the Rinzai teacher and blurted out his answer. All the boys at school had Crooked Cucumber: The Life and Teaching of Shunryu Suzuki hair, but not shaved heads. She said she finally stopped fighting and was "accommodating the enemy," as Suzuki had described it. She arrived wishing there was something she could do. Morning service began and ended

with three full bows. It is also admirable for its capacity to write about the difficult, addiction-laden, brilliant dharma teachers of the time -- Trungpa, Alan Watts and Richard Baker -- with both honesty and sympathy. Suzuki lives as Zen priest in Japan until he decides to bring his teaching to the US. The downside: the prose sometimes felt patronizing. It was most moving, the difficulties and trials that he went through. Marian loved the way Suzuki would sit with folded legs on her sofa in front of the crackling fireplace, his robes tucked under his legs, the aroma of coffee and cinnamon rolls still in the air. As a long-term resident of Japan, student of this era, and earnest if hopeless dharma student, I expected to find many reasons to disapprove! People came to Shoganji for seasonal Buddhist holidays, for funerals, advice, or neighborly greetings. Who wants to live in a town where everyone has to wear glasses to stop them going blind? His simple acceptance Crooked Cucumber: The Life and Teaching of Shunryu Suzuki this undoubtedly inspired those around him. Also with his permission she transcribed them and made the transcripts available. To make up his intimate and engrossing narrative, David Chadwick draws on Suzuki's own words and the memories of his students, friends, and family. That book was full of contradictions, and although I had an inkling of what he was trying to convey I wasn't sure. The reader sees Suzuki's occasional impatience and frustration along with his devotion to his students; his failures as a parent as Crooked Cucumber: The Life and Teaching of Shunryu Suzuki as his attempts to rectify his mistakes; his willingness to follow along with ambitious plans as well as his failure to head off errors of omission that might have made things flow more smoothly. Redirected from Shunryu Suzuki. There is nowhere to go.
