The Phases of Close Text-Dependent Questions: Grades K-5: Pathways to Close and Critical Reading. Far from being overly literal or teacher-led, the questioning framework Fisher and Frey advance enhances the quality of student talk and idea-generation. Bottom line is that text-dependent questions are a scaffold for helping students become better readers of complex text, and these reading skills should lead to better, or at least, more conscious writing. About this product Product Information In this book the authors debunk the myth that Text Dependent Questions are all level 1 Text-Dependent Questions: Grades K-5: Pathways to Close and Critical Reading, what, when where, how questions and instead offer readers a purposeful and thoughtful instructional routine that includes four levels of questioning as well as a focus on talk and collaboration every step of the way. Not what I was hoping for but a good explanation of close reading in elementary. She has published many articles and books on literacy and instruction. While the recommended texts and sample questions are useful, the extended classroom examples are the true heart of the book, demonstrating how skilled practitioners flexibly devise and deploy high-quality questions to serve varied instructional purposes. They write in a jargon-free style that teachers appreciate, and their use of examples and analogies helps bring ideas to life.
