Holding On To Hope: A Pathway Through Suffering to the Heart of God

But my tears are the only way I have to release the deep Holding on to Hope: A Pathway Through Suffering to the Heart of God I feel. The Guthrie's tragic loss of two infants shortly after birth made me cry--but I needed to cry and I'm thankful. Shunning platitudes and easy answers, Guthrie deals head-on with the issues experienced by those going through suffering and loss. Like Job, she comes to know God more intimately and her faith is sustained and strengthened. Includes study guide for individual or small group use. Goodreads helps you keep track of books you want to read. An excerpt: "So many people are afraid to bring up my loss. Sometimes that suffering can overshadow everything and threaten to pull us under. Seeing this woman try to justify the tragedies she believes God has purposely put her through is like seeing a battered woman try to justify her significant other beating her. Good solid reminders of God and His love for us even amidst trials. Holding on to Hope: A Pathway Through Suffering to the Heart of God Wait Add To Lists. This book really does make you contemplate, cry, and challenge you to hold onto hope in Jesus in the midst of every kind of suffering. And here, it works. A source of encouragement for folks in Holding on to Hope: A Pathway Through Suffering to the Heart of God sorts of troubling circumstances. PW Picks: Books of the Week. And I still believe, he gives only what we can bear because he trusts us. Sep 16, Jasmine rated it it was amazing. She and her husband host Respite Retreats for couple Nancy Guthrie teaches the Bible at her home church, Cornerstone Presbyterian Church in Franklin, Tennessee, as well as at conferences around the country and internationally, including through her Biblical Theology Workshops for Women. But there are other inducements: the clarity, grit, and honesty with which Nancy explains how she has maintained hope a deepened faith where most would find only heartbreak. It gave me hope during a time of hopelessness. Nancy was able to speak to my heart and help me process my thoughts and emotions. Nancy Guthrie speaks at conferences around the country and internationally, and is currently pursuing graduate studies at Covenant Theological Seminary. And while writing this book she found herself pregnant again with a child with the same syndrome that took Hope. And yet she still rejoices in God's gift. Excellent book for anyone grieving. The book provides great guidance on the importance of trying to make tragedy and illness make some sense by trying to see that God uses times of trial for good and that pain can grow our relationship with God. Aug 08, Rithun Regi rated it it was amazing. Her conclusion is not that the Christian faith makes suffering less painful but that it makes it possible to move forward into a deeper relationship with God and enables us to hold on to hope. It was helpful, poignant and--in my case--marked by a number of tears. How we could often question 'why' but only that we should just learn to trust and believe God is indeed in control. In later doctors diagnosed Guthrie's newborn daughter, Hope, with Zellweger syndrome, a rare congenital disorder, and gave Hope less than six months to live. This book really does make you If I could give this book 6 stars I would. Dimensions: 8. Whether it's a death; dealing with a disease, or dealing with emotional trouble Ms Guthrie helps us gently see how to grasp onto God for strength and wisdom to deal with things. She is transparent with her grief and the struggle of faith in the midst of her suffering. This little volume is a thoughtful dissertation on the book of Job and how we can all learn from his example. I have found this book so helpful. Enlarge cover. Only presentation has been changed in new edition. We can never plan for the unexpected turns of this life that sometimes lead to great personal suffering. The book closes with a time-honored evangelical altar call. Published January 1st by Tyndale Momentum first published July 1st Guthrie writes from the difficult but unique perspective of having had two children die in infancy. Highly recommend for anyone grieving or suffering, as well as for anyone wanting to gain insight and empathy towards those walking through a season of grief. If you are dealing with grief yourself or if you are counseling people This book presents a lovely and Biblically sound view of suffering and its purpose in the life of believers. Pastors can recommend it with confidence that it will make a difference. Nancy has written about pain, tears and suffering in such a meaningful way that only people who have undergone real suffering can write.
