Minerals And Their Importance In. Reset Password. The book opens with the history of honey and its popularity around the world over the millennia. More filters. Jen Newman rated it really liked it Jul 10, We will be happy to hear your thoughts. Although I wish the book would have been written in a slightly less clinical manner, and The Miracle of Honey: Practical Tips for Health the author would have done a better job citing their sources, I found this book to be very interesting. This was because it was based on bottle-feeding schedules and took no account of how breastfeeding works. Vinayak Malik added it Feb 22, Showing Related Searches. Books by Penny Stanway.
