Our Iceberg Is Melting

It's not a 'how-to'. The story charts how a small colony of emperor penguins leads the colony through the process of coming up with a solution and effecting their plan. It also analyses reviews to verify trustworthiness. He is a founder of Kotter International, a consulting firm that specializes in helping leaders transform their organizations. All the things that they had to go through to overcome this challenge, and all the steps that they went through to succeed. The Making of a Manager. As to whether this book will actually change the way people react to change... well, the verdict is still out on that. Step 7: Build Momentum: Preparing the second move it will be less traumatic once we establish short term win in the first move. Nov 07, K. Arman Super quick read. People tend to follow their feelings and copy other, communicating with influential figures are key to success. Mar 24, Daniel Carpio rated it liked it. Communicate for Understanding and Buy In Make sure as many others as possible understand and accept the vision and the strategy. Organizational change. How to identify and work with those resistant to change for whatever reason without letting them, yourself, or your work get sidetracked. These items are shipped from and sold by different sellers. Then Our Iceberg is Melting: Changing and Succeeding Under Any Conditions curious bird discovers a potentially devastating problem threatening their home—and almost no one listens to him. Measure What Matters. Mar 08, Nicole Mostofa rated it it was amazing. He is the author of eleven award-winning titles and frequently gives speeches and seminars at Harvard and around the world. Read it Forward Read it first. Citation Type. We all enjoy being recognized for our achievements. You can use it in many situations. Fred, a low-ranking quirky penguin Our Iceberg is Melting: Changing and Succeeding Under Any Conditions that the iceberg on which the colony has lived for unknown generations is melting and is likely to fracture. Organizational Man, then consider taking this advice from a band called Tool: Learn to Swim. How does he adapt to the styles of various senior penguins and convince them? In short, humans think they know what they think, but all too often we misinform ourselves. Of course the one leader that is female is a nagging, self-important bitch who has no patience for anyone else. I also learn better from experience not from theory. Jul 26, L rated it did not like it Recommends it for: Those who can not think explaining it to those who can not lead. Not entirely coincidentally, the day that the invitation to the offsite meeting for an all-day training exercise based on the book showed up on my calendar, was the day that I gave notice. A note for those in US board rooms and leadership committees who initiate cruel and unusual punishment by forcing others to share in your literary high weirdness: If there are a number of elementary school level b They need to stop killing trees for these kinds of books, even if Our Iceberg is Melting: Changing and Succeeding Under Any Conditions are used in 'board rooms and leadership committees'. When there is a change, we need to recognize it and be part of it instead of resisting it and stay forever in a morass. I'm not sure what to say about this book. Pull Together the Guiding Team Make sure there is a powerful group guiding the change — one with leadership skills, credibility, communications ability, authority, analytical skills, and a sense of urgency. The focus of this book is leading change, and is based on John Kotter's "8 Steps to Leading Change" originally outlined in his book "Leading Change". They need to stop killing trees for these kinds of books, even if they are used in 'board rooms and leadership committees'. As for the story itself, we begin with Fred, a young but intelligent and curious penguin who finds evidence that the iceberg is melting and seeks to help the penguin colony avoid disaster. Mar 07, Christopher Safieh rated it really liked it. This book was written as fable, so it was entertaining and at the same time you were learning. More filters. Oct 29, Anthony rated it it was amazing. These books take complex and sometimes fear-inducing subjects like change and present them in friendly ways to help readers understand. A fun and interesting fable using the story of a colony of Emperor Penguins as a metaphor for how an organization can go about making a needed change. If your iceberg is sinking, Mr. Create a New Culture - Hold on to the new ways of behaving, and make sure they succeed, until they become strong enough to replace old traditions. Lists with This Book. It isn't a book heavy in change management theory. Step 7: Build Momentum: Preparing the second move it will be less traumatic once we establish short term win in the first move. Peter Mueller Illustrator. John P. Kotter on various publishing projects, executive education programs, and advisory engagements. A note for those in US board rooms and leadership committees who initiate cruel and unusual punishment by forcing others to share in your literary high weirdness: If there are a number of elementary school level b They need to stop killing trees for these kinds of books, even if they are used in 'board rooms and leadership committees'. I just have to read this as a required reading for our company project and to put myself immediately into a raring-to-change mode. Add all three to Cart. May 15, Katy Krumbach rated it really liked it Shelves: soft-reading leadership. It helps you guide yourself through the change. Crux this eight steps is for successful implementation of any change, it requires participation of team and everyone has an important role. This is a gem.
