Dr. and Mrs. Guinea Pig Present The Only Guide You'll Ever Need to the Best Anti-Aging Treatments

Full of practical, useful advice from hair/makeup and skincare this book has solutions most anyone can do and afford. Terry gave down to earth, good advice for those wanting to go the surgical route. May 12, Pam Thomas rated it it was amazing. There are no discussion topics on this book yet. It is very valuable information about possible complications that can occur and it is important to take it seriously. It is not suitable at all for anyone looking for antiaging treatment! Heather provides beauty information, with a small plug for their beauty line, but gave generous o I was interested in finding out what Fancy Pants and Super Star Doc had to say bout beauty. More filters. This would make a great reference book to look at for every stage of your life. Apr 26, Killian rated it really liked it Shelves: netgalley. Rest assured, the days of painful procedures that promised you the fountain of youth, cost a fortune, and then surprise --didn t work, are gone. I've yet to see one of those guides really giving you options without having a secret agenda behind it all. In her third book, Doyle Love Warrior, etc. Ghost Mountain Books. Jul 25, Susan Baird rated it liked it. In this book they ve combined the best of Dr. and Mrs. Guinea Pig Present the Only Guide Youll Ever Need to the Best Anti-Aging Treatments, in true Dr. Preview — Dr. If you Dr. and Mrs. Guinea Pig Present the Only Guide Youll Ever Need to the Best Anti-Aging Treatments looking for good information and sound advice, this is your book! It's one of the best "beauty" books I've rea Anti-aging is a huge business. Til toppen. But how do you know what treatments are best for you? Avbryt Ok. From there, the focus shifts to noninvasive aesthetic treatments, such as facials and dermal fillers, and then to plastic surgery. I like the way the book was structured; 'go to' sections for easy reference. Let us be your guides. Guinea Pig Present The Only Guide You'll Ever Need to the Best Anti-Aging Treatments will outline all the best techniques and treatments, from the so-new-you-haven t-heard-of-them-yet to the tried-and-true; from the perfectly legal to the are-you-trying-to-get-me-arrested; from the simple to the outrageous; and from the cheapest drugstore creams to the most complicated surgeries. It's one of the best "beauty" books I've read in a long time. Heather gave a lot of reasonable it helps that she's gorgeous! Sign in using your Kirkus account Sign in Keep me logged in. Which of the hippest, hottest, and newest are fabulously effective and which are nothing more than new-age snake oil? Known as HeLa cells, they became one of the world's most ubiquitous sources for medical research of everything from hormones, steroids and vitamins to gene mapping, in vitro fertilization, even the polio vaccine—all without the knowledge, must less consent, of the Lacks family. It was alright but really shouldn't have been an audio book It really should be more of a reference book to pull what you need not a deep dive into information that you listen to on audio or pull out for a good read. Some stories merely skim the surface of larger issues, but Doyle revisits them in later sections and digs deeper, using friends and familial references to personify their impact on her life, both past and present. This book is not yet featured on Listopia. Heather's personality shows through as she shares her favorite products and procedures, with Terry's clinical descriptions and warnings! Almost there! Jan 01, Cara rated it it was amazing. Great and honest information! Anti-aging has become a multi-billion dollar industry, but do you know which products, procedures or treatments are really going to help you look and feel! Show comments. May 20, Sue Fernandez rated it it was amazing. I mostly skimmed this section because I already knew a lot of it, but that's only because I spend a lot of time researching skincare myself. Apr 20, Terri rated it really liked it. Review Posted Online: Dec. Real Housewife Heather Dubrow and her cosmetic surgeon husband Terry set the record straight once for all. Lauren Conrad. Karen Moline With. Need Help? Reader Writer Industry Professional. Keep me logged in. The information presented is clear and concise and will be valuable to anyone looking to treat or prevent the telltale signs of growing older. Dr. and Mrs. Guinea Pig Present the Only Guide Youll Ever Need to the Best Anti-Aging Treatments cry from this one where only their line was the best and safest and most effective The second part is more about skincare, what works and what doesn't, what ingredients to look for in products for certain skin concerns, etc. I am not familiar with either of them or their shows. Heather and Terry repeatedly remind the reader not to give in to hype but rather to be informed and look for the grey hair!
