## 9 real-life castaways who are tougher than Tom Hanks

That's what happened to Ada Blackjack an Inuit woman who accompanied a group of men on their mission to claim Siberia's Wrangel Island for Canada in *So*, the movie, albeit a bit silly, does carry an important message about not pushing people away. What usually got me through was the fact it only lasted a week or two. Those in the movie *Tremors* still haunt us to this day and actually make us relate to some of the characters. Helmed by Matt Damon, *The Martian* explores the barren land of Mars and how one astronaut gets left behind during a mission. Votes: 18, The adventures continue! PG min Action, Drama, Thriller. Back in Richard Harris played a man who was mauled by a bear and left for dead. It is also the reason we believe this is one of the survival stories the world has ever seen. The tale of *Hasenbosch* isn't a happy one. *Movies Survival*. Survival is in human nature, and the fight-or-flight response is all too familiar to most of us. Try being shipwrecked in Siberia. A beard like that doesn't just grow itself. Powered by Social Snap. The Japanese fishing trawler *Tokamaru* finally spotted them and rescued them after being castaways for thirty-eight days. Apparently wanting one less *Cast Away: Stories of Survival from the Worlds Deadliest Voyage* to feed, they abandoned Pelletier there. At first, he sat and *Cast Away: Stories of Survival from the Worlds Deadliest Voyage* his Bible, pretty sure another ship would be by soon. Though stranded with no food or tools, Ashton managed to construct a crude shelter and ate fruit and raw turtle eggs to ward off starvation. Moreover, even when the two climbers *Cast Away: Stories of Survival from the Worlds Deadliest Voyage* reach the top, one of them slips and endangers the whole ending. Centigrade Unrated 98 min Drama, Thriller 4. What happens when you put Jeff Bridges on a boat together with a group of somewhat mischievous prep school students? Moreover, he has to endure the loneliness and lack of socialization, as for some time, no one knows he survived! Based on a failed lunar mission from *Apollo 13* features a wonderful cast, including Tom Hanks, Kevin Bacon, and Bill Paxton, and accuracy audiences rarely get to see. Plus, when you take into account that John Williams did the score for the movie — expect a nice melody to follow all the ups and downs surviving a ship disaster may bring. Their rations petered out and hunting was difficult. Yet, when you change the scenery a bit, you get something even better — a true science-fiction masterpiece. Selkirk thought the ship was in bad shape and said he'd rather be left on Juan Fernandez than continue on in a vessel that wasn't seaworthy. Help us reach our goal of 1, donors today! One of the participants is Annie Garrett, sister of Peter and daughter of the late Royce. Based on a true story of Yossi Ghinsberg, an Israeli adventurer, *Jungle* is a tale of survival. R 90 min Adventure, Drama, Thriller. To survive, he has to make Mars suitable for food growth, which does entail farming in his toilet waste. The main theme or so the viewer thinks is man vs. Still, for the time being, *The Day After Cast Away: Stories of Survival from the Worlds Deadliest Voyage* is a movie that shows at least a bit of hope. Could you survive as a *Cast Away?* Newsletters navigate down. He built a couple huts and munched on wild turnips. *Outback* R 86 min Thriller 4. Votes: 5, Tell us what you think about this feature. Now, some people would say that *Into the Wild* is not a real survival movie per se. To us, it truly depends on whether you see the glass half-full or half-empty. PG min Action, Drama, History. The ship sank, leaving behind only six survivors, *Cast Away: Stories of Survival from the Worlds Deadliest Voyage* Poon Lim. Although not as popular as some others on this list, we actually like this movie as it has an excellent cast. About Us Contact Donate Now. The story follows a truck driver in Iraq who gets buried alive in a coffin by his kidnappers and has to survive long enough for a rescue mission. After four long years, Chuck has had enough. The only thing that bothered us is how unrealistic some of the dialogue and scenes were — but hey! The companion he was with died shortly thereafter, and for 13 months *Alvarenga* says he survived by eating fish he caught with his bare hands and drinking turtle blood when there was no rain. Last Modified: March 11, The climb is deadly in and of itself, with hypothermia lurking around every corner.
