The heartless stone a journey through the world of diamonds, deceit, and desire

And it shines in ways that amazed me. My parents never divorced but they had some epic battles. This book jumped around too much for my taste. The only negative thing I have to say was that it was biased, but the title gave that away from the start. The end result? Search icon An illustration of a magnifying glass. Sep 13, Peter Tillman rated it it The Heartless Stone: A Journey Through the World of Diamonds ok Shelves: stalledon-reservesci-tech. May 05, Cathy Wrotny rated it liked it. Some go so far as to call them a curse. Interesting to read as much as I did on how diamonds are produced, exported, and sold, though not a book I would ever pick up and read typically. Sort order. Details The Heartless Stone: A Journey Through the World of Diamonds other :. Scanned in China. Do not miss this book. But when the relationship broke apart, he was left with a used diamond that began to haunt him. The countless interviews with people span the globe, and take in every perspective that you can glean without actually hopping on a plane and getting them yourself. Nov 30, Amber added it. Deceit then had to reinvent themselves as a luxury brand, which I saw up close at the Tysons Corner Mall. And even though I never wanted a diamond, and never bought into the propaganda about The Heartless Stone: A Journey Through the World of Diamonds This is an excerpt from a review published in Bookmarks magazine. The Heartless Stone did nothing to disabuse me of this notion. The true unifying theme is one that is bound to leave the reader conflicted. Tom Zoellner proves this in his The Heartless Stone: A Journey Through the World of Diamonds account about the diamond trade. If you are a curious person and maybe even a lover of diamonds. He never focused on companies; he focused on the people within the companies, and he tied it all together with his own story. A fascinating story. Before laying out your cash, Zoellner advises that you first understand its origins. Just like you don't need sex. Each chapter is centered on a different country and issue involved in the diamond trade; each chapter stands alone. Tom does a great job in weaving his personal story into the history and current practice of the diamond industry. What was fascinating, however, was the detailed discussion of the DeBeers cartel and their influence on price fixing and market infiltration - one of the greatest marketing coups of the modern world! Zoellner opens his story in the war-torn Central African Republic. InTom Zoellner purchased a diamond engagement ring and proposed. One area that I did not enjoy was the author's and Desire up his broken engagement several times - he still seems to be carrying the torch - maybe a little too personal for a book like this. This book does not approach that level of insight but nevertheless tells a thought-provoking The Heartless Stone: A Journey Through the World of Diamonds illuminating story. Quotes from The Heartless Sto The first chapter along with chapters about Japan marketing, cultural practices of engagement, WWIISouth Africa DeBeers, Cecil RhodesIndia polishing and setting, child laborand Russia "cultured" diamonds are absolutely fascinating! I say they're right. May 18, Lauren rated it it was ok Shelves: stopped-reading. Hell, if you have any interest at all in world affairs, read this book. The Heartless Stone is no exception. He and Desire up discovering just how much deceit really is associated with diamonds. In the chapters exploring the seedier side of the business, the stories shift to the when relationship begins experiencing turbulence and its ultimate breakup. In this engaging book, prepare to discover how much you didn't know about diamonds and just how amazingly much of what we think we know is actually myth or simply assumptions that were created for us. Things are not as good as the Kimberly Process makes and Desire seem. Across fourteen nations and six continents, the empty mythology of the diamond drew him into a world in which a piece of carbon is made to breathe with the profound intimacies of our own histories Includes information on advertising, Angola, Argyle Diamond Mine, Australia, blood diamonds, Brazil, Central African Republic, Democratic Republic of the Congo, De Beers Consolidated Mines, synthetic diamonds, engagement rings, The Heartless Stone: A Journey Through the World of Diamonds, Japan, Jews, mining methods, Murfreesboro ArkansasNorthwest Territories Canadaretail pricing, smuggling, South Africa, United States, etc. This format helps make each chapter stand on its own, like a series of essays. I read this book about 6 years ago, and I remember it as a well-written non-fiction piece. Anyway, the subject of this book--the international diamond trade--is so fascinating that it's almost impossible to write and Desire BAD book about it. That little blue Tiffany box might never look the same. I highly recommend the book. He speaks skeptically of the Kimberly Process and how it came about. Books by Tom Zoellner.
