A Centaur's Life Vol. 1

An angelfolk guy offered Hime a love letter, causing her to freak out and run off. The sweetness and mundanity of everyday life just shine through in the best way when everyone is a different kind of "monster. Accelerator, the most powerful psychic in Academy City, May 22, Yuiko rated it it was ok. This is from differences in body size versus weight for different species, in different skill sets for different species, so on. Global events are starting to hit closer to home in Volume 14 of A Centaur's Life! The art is cute, the stories are slice of high school life stuff which I don't think is my thing based on my lack of enjoyment of the ones I've read recently but with weird creatures as the characters. Himeno's world is full of all kinds of creatures, from angelfolk to dog people to centaurs like herself. Josei and Seinen That said, Murayama doesn't incorporate most of this information very well, and some of it seemed like the kind of stuff that basic history and physical and sex education classes should have covered, if the races were really as integrated as they seemed to be. While Mitama scrambles to balance her many responsibilities, Shino-chan learns that even grown-ups don't have all the answers. Want to Read Currently Reading Read. Welcome A Centaurs Life: Vol 1. Uh-oh, it looks like your Internet Explorer is out of date. False gods interrupt a festival ceremony. Oct Reader Survey Follow gomanga Have a question? The illustrations do good at distracting from the plot and are admirable and the character design was nice, but never the less Certainly not my favorite. A brand new magical adventure for fans of Magika Swordsman and Summoner! Clever and well done approach to the material, although a bit too slow to really hold my interest. Want to get more into mangas though! Together, these three friends navigate their way through the high school play and beyond. It was really fun that the author decided to keep the supernatural element to be mostly about how the characters look, and keep the rest just normal. Javascript is not enabled in your browser. I am not entirely sure if I will read the rest of this manga, for now I will say no. These are all questions answered by this manga. And I really like it. There are but a few Centaur series listed on the Comix site, so this caught my eye. They deal with everyday situations and everyday school life. A Centaurs Life: Vol 1 an easy, calm read and easily one you could read while sitting in your favorite chair while sipping your A Centaurs Life: Vol 1 drink. Even with the supernatural cast the story is mostly slice of life and is mostly about 3 girls in high school and how they go along. When it comes to reincarnation, most people hope for a better life—except for recent high school graduate, Kurihara Misato. Due to licensing or platform-specific content restrictions, not all books are available digitally. A Centaur's Life continues! Yet despite their fantastical natures, Himeno and her best friends--the dragon-winged Nozomi, and Kyoko with her spiraled horns--are down to earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting. The monster girl aspect and how they do A Centaurs Life: Vol 1 is just naturally streamlined into the story and the fact that it wasn't in your face made for a pleasant story. There's no ongoing plot or development really, but it's a fun world to enter briefly for a few minutes at a time and leave your mind at the door. A Centaur's Life by Murayama Kei, would seem to A Centaurs Life: Vol 1 some fantasy adventure if one just saw the cover. Rating Note: I struggled with my final rating. The first story was about how she got a love confession and was worried about what her private parts look like. Umaru-chan Vol. Of course they wish to discuss and solve these issues. I have the first four so I'll keep reading but it does feel like a waste of time. In that case, we can't
