

INSIDE THE MAGIC: THE MAKING OF FANTASTIC BEASTS AND WHERE TO FIND THEM FREE DOWNLOAD

Ian Nathan, Eddie Redmayne | 144 pages | 30 Nov 2016 | HarperCollins Publishers | 9780008204594 | English | London, United Kingdom

Fantastic Beasts and Where to Find Them

But that's not actually why you should care about this book—although, don't get us wrong, knowing your Billywigs from your Bundimuns is useful stuff. More Details I particularly enjoyed Inside the Magic: The Making of Fantastic Beasts and Where to Find Them all of the little facts about the wands, the designs of the sets and costumes and of course how they designed the Beasts. It use only 3 natural plant ingredients [...]. It is considerably smaller and lighter. We say, for example "He's an old white man" or "She's a young Indian woman," but we rarely stop to think about what factors in to our categorizing process. It was a pleasure to read and understand the storyline in more detail. One consisted of a clattery elevator that rose out of the open briefcase, to take people in and out. The book was divided up into several chapters such as one for each of the four Inside the Magic: The Making of Fantastic Beasts and Where to Find Them characters, one on New York in one of the Fantastic Beasts, and several others. Welcome back. Hey, when you can help the world and feed your love for Harry Potter you know you're doing something right. About Ian Nathan. So much has happened to Harry since then. Compared to the previous slim volume by Jody Revenson that I read earlier this month, author Ian Nathan does a bit more of a deep dive behind the scenes of the making, development, and story that became the second latest film in the Harry Potter universe. Goodreads helps you keep track of books you want to read. Fantastic Beasts Film Website Everything you need to know about the film series. No stone is left unturned. Feb 26, Fox rated it liked it Shelves: non-fictionlibraryfantasyi-like-animals theatre Reading this felt like reading a magazine, it was so fun with all of those facts and pictures! World globe An icon of the world globe, indicating different international options. Dougal the Demiguise was played by a puppeteer. Original Title. After all, they'd all finished Harry Potter and the Goblet of Fire and had to wait until for the release of the fifth book.... The text was humorous, informative, interesting and very descriptive, and the photos, and artists drawings, brought the movie making process to life. Basically if it has to do with Harry Potter, I love it. It indicates a way to close an interaction, or dismiss a notification. You'll learn what to do if your house ever becomes infested with Bundimuns. There're some sketch here and there and Newt's sketch with his unique coat. I am so going to re-watch this tonight and drool over the details. I wonder if they also sell the Fantastic Beasts wands in the theme parks. In that case, we can't So that when he steps into it, the bottom fell away into a pre-built hold in the ground. Ge Review - I loved this because the film was so fantastic! Return to Book Page. Loved it! The movie's animation designers created a concept design for a Sasquatch that would be spending the night in a MACUSA jail cell, unwilling to engage in any conversation while Tina and Newt awaited their interrogation by Graves. Expecto Art Deco! I have seen some of her work on films like Alice in Wonderland and The Huntsman: Winter's War but I didn't know that she worked on this film too. The original interior of Newt Scamander's briefcase was way Inside the Magic: The Making of Fantastic Beasts and Where to Find Them ambitious. Moreover, the detail invested into the newspaper office was extraordinary. On a sid Although it is a short book with only pages, it is packed with information and stills from the film featuring lovely little notes and fun facts about how the film was created. Inside the Magic is such a fun book. Totally loved it Nathan did a great job covering all the expected topics, but overall the book still felt a bit light. Newt's Demiguise was created, in part, by a guy dressed up in a furry suit. Of the three books, I think this is the easiest to pick up and look through. View 2 comments. Let us take you back to a simpler time. Not only is a Diricawl super-unlikely to be under your couch they hang out on Mauritius, where we Muggles Inside the Magic: The Making of Fantastic Beasts and Where to Find Them them as dodos but they can also disappear at will. The term "beast" and "being" is actually pretty fluid. Each chapter dove in-depth into the creation of the character, setting, or creature. Redmayne, for example, also came up with the idea of using a spell that turned the wizards' wands into umbrellas. This was so worth it. Close icon Two crossed lines that form an 'X'. December 1, Conner Flynn Books 0. This book didn't really give much information on the movie. Rowling under the pen name Newt Scamander. Run, don't walk. In the last scene of "Fantastic Beasts," we enter Jacob's bakery. But well this book was mainly discussed about the making of the film, so it wasn't really talking about the Fantastic Beasts. Watch and be dazzled. Review - I loved this because the film was so fantastic! Now this is not all bad - if you love the film, its great insight and some of the interviews with the various cast and crew are very insightful. Trivia About Inside the Magic
