Nicky Epstein The Essential Edgings Collection: 500 of Her Favorite Original Borders

Projects range from clothing for the family to throws and blankets. In warp knitting the wales and courses run roughly parallel. Bill o'Reilly's Killing Ser. In weaving, threads are always straight, running parallel either lengthwise warp threads or crosswise weft threads. The project was started in memory of a young woman who had collected plastic toy ducks and who died from cystic fibrosis while waiting for a lung transplant. Gift Certificates available. Mosaic knitting is a form of slip-stitch knitting that knits alternate colored rows and uses slip stitches to form patterns; mosaic-knit fabrics tend to be stiffer than patterned fabrics produced by other methods such as Fair-Isle knitting. These fabrics are usually manufactured on circular knitting machines that would be recognized by conventional knitters as sock machines. Each shawl pattern is complete with instructions in words and charts. The two most common approaches are intarsia and stranded colorwork. Easy beginner pieces to brain teasers. Also includes an illustrated stitch guide and problem-solving tips. Oakes is a dedicated knitter, knitwear designer, and knitting instructor who has known the frustration of Second Sock Syndrome. From Wikipedia, the free encyclopedia. When knitting, some knitters enclose their balls in jars to keep them clean and untangled with other yarns; the free yarn passes through a small hole in the jar-lid. Horizontal striping wetting is also possible, by alternating rows of knit and purl stitches. When seen from above, the twist can be clockwise right yarn over left or counterclockwise left yarn over right ; these are denoted as right- and left-plaited stitches, respectively. Some are felted in the washing machine, giving you a thick, dense garment. Color gallery of projects and lovely watercolors by the author. The dye lot specifies a group of skeins that were dyed together and thus have precisely the same color; skeins from different dye-lots, even if very similar in color, are usually slightly different and may produce a visible horizontal stripe when knitted together. Product Details About the Author.
