The 13 ½ Lives of Captain Bluebear

There are many different stories full of memorable scenes and characters Minipirates? There is most likely many other German political references that I did not get as well as string theory which went over my head but I'm short. Multidimensional Space Hobgoblins are, according to Nightingale's encyclopedia, semi-ghost invertebrates who feed on emotions. We're committed to providing low prices every day, on everything. There are masses of us roaming the passages in this brain. Borne on the sea breeze was a familiar scent reminiscent of distant bonfire smoke mingled with a hint of cinnamon. View all 3 comments. There's no narrative thread connecting one event to the next, Bluebear never wants anything, is never in search of anything. Thank you! Apparently on the cover of the English edition of this book I read a Finnish translation it's compared to the works of Douglas Adams and Tolkien. It is a big call, but I say it with confidence. No hurricane would intrude on a devastating earthquake, just as no tornado would spoil the effect of a mirage. Here goes the Zamonian shoplist of curiosities. There are several parts that are laugh-out-loud funny and many more that are amusing enough to make you smile while riding on public transportation always amusing to your seat neighbor. Additional details. Mine is a tale of mortal danger and eternal love, of hair's breadth, last-minute escapes. Product Details The 13 1/2 Lives of Captain Bluebear the Author. Interspersed with snippets from an encyclopaedia about the relevant creatures shades of Hitchiker's and plenty of pen and ink illustrations. Get to Know Us. Paperbacks are not guaranteed. It seemed that the wind in my fur and the wild sea beneath me existed solely to transport me into a world of adventure. Frequent mentions. Compare this with his wonderful bibliophile's delight, The City of Dreaming Books. They taught me that a good white lie is often considerably more exciting than the truth. Readers also enjoyed. Joining the story with a very young Blue bear adrift floating in frighten What The 13 1/2 Lives of Captain Bluebear you get when you put a Blue bear in one of the most wonderfully imaginative worlds I have ever encountered in Fiction? Well I say turmoil because you and I would feel that way but not Bluebear. Big Book. Authority control GND : At this point, I saw where the author was going. The quirky writing is definitely strong enough to carry itself, but Moers includes several black-and-white illustrations that enhance the whimsy. View all 6 comments. A delightful literary rediscovery by the National Book Award-nominated Macdonald Harris, HERMA is the colorful, fanciful, and moving story of a willful young opera singer at the turn of the century. But was there any point at all? I laughed out loud over and over. Simply picture a train travelling through The 13 1/2 Lives of Captain Bluebear black hole with a candle on its roof while you yourself, with a candle on your head, are standing on Mars and winding a clock precisely one yard in diameter, and while an owl, which also has a candle on its head and is travelling in the opposite direction to the train at the speed of light, is flying through a tunnel in the process of being swallowed by another black hole which likewise has a candle on its head if you can imagine a black hole with a candle on its head, though for that you will require at least four brains. Bluebear is reunited with Mac, who now has a large pair of glasses, but as soon as he tries to save Bluebear, the Troglotroll jumps onto his back and Mac flies off. A master storyteller and actor, Captain Bluebear is ever so slightly pompous, but in that adorable way of harmless, well-fed scholars whose generous hearts are more than large enough to contain their puffed up egos. No other formats available. A lot of this wasn't needed and really took away from the rest of the whimsical story. I'm The 13 1/2 Lives of Captain Bluebear interested to know The 13 1/2 Lives of Captain Bluebear original German names for the characters. It also owes a lot to the Moomintroll books. Three hundred? And it's always through some deus ex machina intervention, one of which is even referred to as Deus X. This is not a book for young children, neither is The 13 1/2 Lives of Captain Bluebear a book for all adults, but instead it is a book for adults who have not grown up yet like my good self. Ever wondered what it's like to walk through a giant's brain, or live in a tornado? Hot Title. Details if other :. Life 9 details Bluebear's treks across the Demara Desert in the company of nomadic Muggs searching for the legendary mirage city Anagrom Ataf. Why I loved this read? The plot is supplemented The 13 1/2 Lives of Captain Bluebear Moers' drawings of the characters interspersed throughout the book. The main character, Bluebear, describes the first half of his 26 lives as he travels through Zamonia a continent that used to exist on earth along with several others which you might not have heard of meeting creatures such as Troglotrolls, Minipirates, and Shark Grubs. And we The 13 1/2 Lives of Captain Bluebear back into the sheltering forest. For me it should be in the selection process - what you chose and chose not to include - which I feel was lacking from the onset. Availability: Indefinitely Out of Stock. Your feedback helps us make Walmart shopping better for millions of customers. Eventually I gave up trying to categorize it and just enjoyed The 13 1/2 Lives of Captain Bluebear adventure. Update location. And no one has more adventures than Bluebear, in fact, with many, many sub-adventures. Q: A bluebear has twenty-seven lives. Jul 12, Katri rated it was amazing Shelves: fantasy. A delightfully illustrated cult novel, literary satire and epic adventure. Initially when I borrowed out this book when I was younger, I wasn't sure if I would finish it. But I'm still giving it five stars as well because it does deserve them, being a perfectly delightful and entertaining collection of weird and imaginative adventures. Well, a bluebear must have his secrets. He is then led astray in a cavern labyrinth by a tricky Troglotroll the most reviled and sneaky creature in Zamonia.
