## Moving From Success to Significance: A Compelling Strategy for Maximizing Life's Second Half

Halftime: Moving from Success to Significance. He certainly had a significant impact on my life with this book. You may be highly successful, or you may simply find yourself in a place of transition with some options for how you invest these next years. You have likely heard of them too, but have you met the Joneses? Halftime: Moving from Success to Significance chase the prize in a more spectacular, aggressive fashion: closing a major deal, winning the big case, acquiring through leveraged buyouts and mergers, doing whatever it takes to make it to the top. Do you feel a kinship to him? In his second half, Buford founded Halftime, an organization designed to inspire business and professional leaders to embrace God's calling and move from success to significance. Features of this newly updated and expanded 20th Anniversary edition include a foreword by Jim Collins, the bestselling author of Good to Great ; new questions for reflection or discussion at the end of each chapter; brand new "halftime" stories of men and women enjoying a second half of significance; specific halftime assignments to guide readers into their second-half mission; an essay by Bob on "The Wisdom of Peter Drucker"; a special update from the author on how Halftime: Moving from Success to Significance halftime movement is growing nationally, and links to outstanding resources. To tell the truth, I figured it might sell a few thousand books, and then fade into the sunset. It merely seeks to gather and examine as many of the facts as possible about the market and the environment that might impact a decision. Showing There are two parallel tracks to this transition, not one. By my adolescent years, my family had moved from Oklahoma to Tyler, Texas, in the piney woods on the Halftime: Moving from Success to Significance side of the Lone Star State. So I can't recount a dramatic or emotional turning point in my spiritual development — save for a surprising reverse conversion experience I had at the age of fourteen, at which time I abandoned the notion I had had of becoming a clergyman, although in no way did I renounce my personal faith or commitments. According to Maxwell, our life takes on significance when we begin to focus on the needs of others. Your future, particularly in turbulent times such as these, Halftime: Moving from Success to Significance in great measure beyond Halftime: Moving from Success to Significance control, no matter how hard you try to nail it down or plan it out. Seemed okay to start with - encouraging and challenging. Are you ready to move into the second half of your life? At that time, in the early s, state law prevented women from executing and signing contracts without their husbands unless a court declared them "femme sole," a legal designation that literally means "woman alone. Preview — Halftime by Bob Buford. Much better. My hope was to take what I had learned on my Halftime journey and share it with others so Halftime: Moving from Success to Significance there would be less panic for those arriving at the intersection, clearer strategic thinking, and in the end, a world that changed a little because talented and successful people kept going, perhaps in a different direction, but one that helped them leave a lasting legacy. All of us long for the answer to these questions and it can only be found when we connect to the One who made us and when we discover where we fit in His Story. I have not always paid attention to my life. My mother, suddenly on her own, developed into a visionary and successful media business executive. We have, and we would like to introduce them to you. Paperbackpages. You know the saying: There's no time like the present Also, as he admits most people cannot decide what to do with their second half and not continue working. The best is yet to come. Are you likely about about halfway through your life? It really is good for you to surrender control and, in the process, come more fully to your senses — those senses that enable you to be Halftime: Moving from Success to Significance of life's adventures and rewards. Liked it a lot. Buford uses personal insights, true-life examples, and inspiring quotes to set you on a course from mere success to true significance. No trivia or quizzes yet. I don't remember a great deal about him, although I do recall that he drank his whiskey straight from the bottle, in a manner, I was to learn later, all too common during those postwar days when Ernest Hemingway was writing great American books and rugged American men thought themselves to be tempered-tough and indestructible. But it will be an accurate picture only to the extent that you listen to the still, small voice within. In fact, the next part of their lives could cement their legacy and in many ways be their most important years with perhaps their greatest contributions. I felt like this took a long time to get started. Yet perhaps it is most resonant for those who are approaching their middle years, as I did when I was in my forties. There is a risk in this decision: in tossing aside the security blanket that keeps you safe and warm in your cautiously controlled zone of comfort, you may have to set aside familiar markers and reference points. The second half of life should be about r According Halftime: Moving from Success to Significance Bob Buford, broaching midlife doesn't have to be a crisis. After the wind there was an earthquake, but the Lord was not in the Halftime: Moving from Success to Significance. While he has led a very successful life in the eyes of the world, Buford's personal Halftime: Moving from Success to Significance reveal that his faith in Christ is his central priority. Advanced Search Links. Published January 1st by Zondervan Publishing Company first published During this part of our lives, most of us are primarily focused on ourselves, our families, and our careers. Part 3: The Second Half "The second half is riskier because it has to do with living beyond the immediate. What joy to know that the second half doesn't have to be lived

under the same pressures and stress. Return to Book Page. I was hoping for a little more substance and a little Halftime: Moving from Success to Significance personal story-telling. It can be a catalyst for purpose, impact, and growth. You must wrestle with who you are, why you believe what you profess to believe about your life, and what you do to provide meaning and structure to your daily activities and relationships. Halftime, then, is a quiet time of deliberate decision-making, restructuring, and passionate contemplation of your heart's deepest desires. He left a young widow and three small boys, and together we carried on. The second half of the book was really good though and applied to a wider range of people. Related Products. A good life planning book. Too often we measure success by our accomplishments or the stuff we have accumulated. The legs and hands must follow the heart and the head, or the body is not whole. Goodreads helps you keep track of books you want to read. He yearns to get home, yet he enjoys the battles along the way. As Buford explains, "My passion is to multiply all that God has given me, and in the process, give it back.
