The Etymologicon

Dec 29, Woodge rated it really liked it Shelves: non-fictionlexicon. Adding to library failed. Although one might surmise that the subject is dry, the author presents a digestible amount of history on each example and then quickly segues to another; he also seems to be an armature comedian which makes the anecdotes fun. Sort order. Cancel anytime. Forsyth compares the situation to a hypothetical right-wing party that called itself "Red States for the Next America" - obviously, everyone else would call them the RedNex. I suppose that might help to explain why for much of history women weren't allowed to testify in court DO expect to laugh 23 people found this helpful. It means the same in English as it does in Italian, although in English we say Cack or cacky. With this audiobook, you can learn the origins of these names. Where are your hands when you swear? In stock Usually dispatched within 24 hours. AmazonCustomer Any moans? You decide. Coronavirus delivery updates. Download the accompanying reference guide. And furthermore: "testifying" may actually refer to putting your hand on your own or someone else's testicles, to ensure - I don't know - that you have a dudely, and therefore truthful, disposition? Red Herrings and White Elephants. How to Talk Like a Local. Just occasionally I lost interest a tad, but it quickly picked up again and the flowing structure of little chapters meant that it's easy to just read one more. Aug 09, Arielle rated it liked it Shelves: non-fiction. Forsyth takes words and draws us into their, and our, murky history. So much of etymology depends on this. Why settle for the whole nine yards Sign up now. What we don't see is the arduous, life-threatening challenges they face at every moment. This is the book on the origin of words I have been looking for these many years. But this one isn't. Co co rico co co rico? Error rating book. Very clever. Performance and Analytics. Someone I spoke to who had already read it made a big thing of the way the end of each mini-chapter leads into the next one ending up pointing back to the first chapter, hence the 'circular stroll' in the subtitle. He was given a copy of the Oxford English Dictionary as a christening present and has never looked back. We use cookies to improve this site Cookies are used to provide, analyse and improve our services; provide chat tools; and show you relevant content on advertising. Husband blank stare and a blink Me: It's reeeaaaally interesting. All stars 5 star only 4 star only 3 star only 2 star only 1 star only. This book is a lovely, meandering journey through the history of the English language and I recommend it to any word nerd. Parenthetical Codpieces. He is a genuinely amusing writer, but by the end of the book I began to sense that he The Etymologicon: A Circular Stroll Through the Hidden Connections of the English Language didn't This is an entertaining survey of etymological examples, written in a breezy style, and constructed according to a clever rule: there is an etymological link The Etymologicon: A Circular Stroll Through the Hidden Connections of the English Language every chapter and the next, and the last chapter links to the first. I gave a four-star overall rating to this book only because I feel I missed some of the finer nuances and innuendos by listening rather than reading this book. Filter by:. For me, this is the kind of book I would sit down with on a day when I don't want to put a lot of thought into anything but just want something fun going on in the background. You need this book. Their suffixes. In the meantime, this book helped me build up my trivia arsenal a word which, Forsyth tells me, comes from the Arsenale di Venezia, a dock in Renaissance-era Venice where ships were built and repaired. Book ratings by Goodreads. I've read a fair few reviews of this book, and quite a number criticise it for not being academic, for the language being too 'chummy', for it bounding along without much obvious direction, but these people have quite clearly missed the point. Would you listen to The Etymologicon again? Don't you want to know? I wish this book The Etymologicon: A Circular Stroll Through the Hidden Connections of the English Language twice as long, or there were a series of them. Forsyth, the man behind the blog Inky Foolis obsessed with where words come from and with wit takes you on a roundabout journey through his obsession. Therefore, it just The Etymologicon: A Circular Stroll Through the Hidden Connections of the English Language work as an audiobook. The following transcript of my husband and I in the supermarket this morning is the perfect example of how this book has affected my life: Husband: Shall we get some turkey? In his inimitably entertaining and wonderfully witty style, he takes apart famous phrases and shows how you too can write like Shakespeare or quip like Oscar Wilde. What links church organs to organised crime, California to the Caliphate, or brackets to codpieces? After doing a The Etymologicon: A Circular Stroll Through the Hidden Connections of the English Language business of selling seashells and trinkets, Shell decided to, oh, I dunno, dabble in, petroleum I loved this book. To see what your friends thought of this book, please sign up. Mother Tongue. Here are the thrills, grandeur, and unabashed fun of the Greek myths, stylishly retold by Stephen Fry. Ruthless Exorably Not things, at least, with fixed and final essences. Free delivery worldwide. The book is disjointed, intentionally so, not being chronological or broken down by source language, yet is entertaining. Great little-big- book that you should try. The Perfect Book for a Word Nerd!! Add to Cart failed.
