Archived from the original on 7 April He instead uses his method of erasure to move between disparate images and situations, not a presentation of a unified field but a shifting scene of energetic connections and splits. Sign up here to see what happened On This Day every day in your inbox! One example could be creating and posting social protest fliers in exhibition. William Kentridge: love and propaganda on a trip through the stars. The figure seen here is remarkably similar to another character who appears in some of Kentridge's films called *Ubu*, a symbol for apartheid, who appeared in the film *Ubu Tells the Truth* and a suite of etchings of the same title. He writes, "My concern has been both with William Kentridge existential solitude of the walker, and with social solitude - lines of people walking in William Kentridge file from one country to another, from one life to an unknown future. Though mostly monochrome, small touches of blue bleed through as though sprinkles of water falling from showers overhead. Kentridge addresses apartheid and other social wounds without tackling the issues head-on, making them susceptible either to redemption that comes too easily or to a rendering of their history that William Kentridge too spectacular. Contemporary Art. Britannica William Kentridge. George Grosz. By the mids, Kentridge was making prints and drawings. Content William Kentridge and written by Rosie Lesso. In he began collaborating, as set designer, actor, and director of the Handspring Puppet Company. As someone who is ethnically Jewish in South Africa, Kentridge has a unique position as a third-party observer. In many of his drawings, etchings and animated films Kentridge explores the emblem of the recumbent sleeping male figure. Retrieved 2 March Although not directly referring to the segregationist era, he acquired international recognition as a South African artist whose work tracks a personal route across the aftermath of Apartheid and Colonialism. I am interested in a political art, that is to say an art William Kentridge ambiguity, contradiction, uncompleted gestures an uncertain ending - an art and a politics in which optimism is kept in check, and nihilism at William Kentridge. To produce them, he made a rough charcoal drawing photographed it, altered the drawing slightly, photographed it again, and so on. Video Art. As for more direct political issues, Kentridge says his art presents ambiguity contradiction uncompleted movements and uncertain endings, [12] all of which seem like insignificant subtleties but can be attributed to most of the calamity William Kentridge in his work. See Article History. This section of a biography of a living person needs additional citations for verification. The feeling that is manipulated by the use of palette, composition and media among others, often plays an equally vital role in the overall meaning as the subject and narrative of a given work. The sleeping male figure is a powerful symbol for our latent human desire to forget; in Kentridge's world, if a figure is sleeping, they could be in a state of ignorance and denial. Show All Results. She is currently a representative for Bonhams in South Africa. Interestingly William Kentridge, Kentridge criticises the damaging effects of trying to impose a supposedly superior, colonial culture onto South Africa. Balancing Act. Cite article. William Kentridge. Kentridge states that, although his work does not focus on apartheid in a direct and overt manner, but rather on the

contemporary state of Johannesburg, his drawings and films are certainly spawned by, and feed off of, the brutalised society that it left in its wake.
