A Complete Work Capsule Wardrobe for Easy Dressing | Who What Wear

Peplum Top similar , J. If you do go shopping, remember to stick to your color palette! Having seven days of shirts and dresses means you can go an entire week without doing laundry. I used to think I could just hem regular sizes but sometimes the seams and pockets are just in the wrong place for me. Also, always look in a 3-way mirror! When picking your items, consider including some subdued patterns.

I like smaller classic patterns like stripes, swiss dots, or geometrics - they are fun but still office-appropriate. Stylebook Closet App. In addition, both of the jackets you choose for your capsule need to pair well with most of your tops. Following those rules, you should have almost 30 outfits right out of the gate. If the colors match exactly, this combination can make your outfit look like a dress - some stores even sell matching sets meant to create this illusion. These are fantastic because you have the option of wearing them together or as separates.

You can also use this approach with trousers, but be sure to wear a top in a slightly different shade. For example, I might wear burgundy wool trousers with a powder pink button-down. It looks contemporary but the shapes are still appropriate for the office. Stylebook Tip : Stylebook is the perfect app to plan your outfits. Your real closet can stay orderly, since you can experiment without pulling everything out. Blue Button-Up Similar , J. For example, my cropped striped jacket looks great with a cream peplum top because the bottom of the jacket emphasizes my waist instead of my hips. Black jeans. Work trouser. Lounge trouser. Silk shirt. Long sleeved t-shirt. Cami top. Cocktail dress. The Vampire's Wife. Trend piece 1. Leather jacket. Wide-leg trousers. Leather trousers. Over-sized shirt.

Seasonal dress. A tailored leather blazer is a key piece I rely on to pull together so many looks. This post was published at an earlier date and has been updated. Next, four trends editors in their 20s and 30s agree on—and two they don't. Build a Foundation of Polished Basics. An oversize blazer. Great T-shirts. Wide-leg jeans. Kitten heels.

A structured bag. Design-forward earrings. Invest in a Tailored Suit. A suit jacket. Matching pants. A button-down with fashion-forward finishes. Modern everyday jewelry. An oversize button-down.

Capsule wardrobe These 13 are all pieces that you need | My Imperfect Life

Come winter, staying cozy is crucial. Add one or three super soft knit sweaters to your work wardrobe to help keep you warm. The MVP of the workwear capsule wardrobe, a black blazer can take any look from basic to boss. The tapered fit at the natural waistline is figure-flattering on all frames. A timeless trench coat is a posh piece that can elevate any ensemble. Throw it over a sleek LBD paired with pumps or flats and finish the look with an on-trend accessory. Pencil skirts are figure-flattering and can be styled endless ways to keep your office outfits fresh. For unlimited options, keep both a solid and a printed pencil skirt in your closet.

Add modern vibes to your look with a classic moto jacket or a pop-of-color blazer. A true workwear workhorse, classic trousers that fit just so are a must. Opt for a versatile color like black, brown or navy. Couple your pants with a fitted blazer of the same color for a suit-inspired style. Pair this dashing duo with a bold-colored blouse and booties or pumps. Why are wrap dresses so flattering on everyone? With a tie-waist that cinches on the slimmest portion of the torso, it offers a universally-flattering effect for all body shapes. Select a faux or classic wrap dress in a bold color that makes you feel like you can accomplish anything. This power piece gives you unrivaled versatility that can take you from coffee to cocktails in a twirl. During the day, pair your LBD with a colorful blazer and ballet flats.

Come happy hour, swap your flats for pumps and your blazer for a sparkly statement necklace. This jersey basic is no longer reserved for casual weekends. You can layer it underneath slip dresses, let it tone-down tailoring and team it with jeans and heels this is basically Jennifer Aniston and Rosie Huntington-Whiteley's LA uniform. James Perse's T-shirts are famed for their softer-than-soft slub jersey but if you're shopping on a budget, I can vouch for Uniqlo U's design.

This style above is cut for a slim but not skintight fit, making it a real layering hero it's a Red editor favourite. We've rounded up 15 of the best white T-shirts right here , should you need more inspiration. If you didn't already know, the trouser suit is back in a big way. Invest in a decent cut and you can wear the separates as well as the set. Arket's wool hopsack style is ideal: the oversized blazer can be styled over slinky evening dresses or as part of a trusty-jeans-and-heels combo, while the wide-leg trousers look great with a slouchy jumper and trainers plus, the comfortable elasticated waist is a no brainer. For those who really don't do suits, ease yourself into the trend with a beige blazer. I waxed lyrical about this wardrobe saviour it in , and I'm still just as obsessed now.

The style set love this tailored jacket's ability to smarten up everyday outfits like jeans, joggers, midi dresses and even leggings. If you don't believe me, just Google the dreamy street style pics. Talking of slouchy jumpers, you'll definitely be needing one of these in your capsule wardrobe. A lightweight knit in the summer is not only practical, it provides another tool with which to layer.

Slip one over a dress and you've created a relaxed two piece, or swap a blazer for one to tone down tailored pants. Ditch the wool in high summer in favour of knitted linen yes, it's a thing, and COS does it well or cotton. Or, if you want to invest in knitwear that'll last the year, go for an on-trend tank top. Finally, the faithful slip! This bias-cut dress will serve you in so many ways, especially in a demure ankle-length, which balances the lingerie vibes. Layer yours over white T-shirts and turtleneck knits, or wear it solo under a blazer; team it with trainers during the day, then switch to heels in the evening.

Throw on a cashmere crewneck or oversized jumper and, voila , you have your very own slip skirt. The truth is that, with this style, it helps to pay more. Joseph's designs are to die for: they're cut to create an instant hourglass shape. MaxMara's midi is super versatile thanks to its thicker straps which create a sporty vibe. But if bias-cut satin isn't practical for your lifestyle, or you feel self-conscious in clingy shapes, COS' A-line iteration will say all the same things.

Type keyword s to search. Today's Top Stories. Symptoms a gynaecologist says you can't ignore. Presented by. Best afternoon tea delivery services. Donell Woodson. It helps to know where to begin, though, so we've rounded up the five basic building blocks that make a capsule wardrobe right here: The Shirt Dress Cotton shirt dress. Mango mango. Belt shirt dress. Calf-length dress. Tie-front satin-jacquard dress. Cefinn net-a-porter. James Perse net-a-porter. Heavy-Weight T-Shirt. Uniqlo U uniqlo. Neutral Tailoring.

How can I build a capsule wardrobe for work? | Stitch Fix Style

Power dressing is all about pulling together a confidence-boosting outfit that establishes authority and expresses your desire to be taken seriously. So, what do you wear when you actually are the boss? A strong foundation of business wardrobe essentials makes getting dressed in the morning that much easier, allowing you to focus your energy on more important work decisions. People should be curious about what I do for a living from what I wear. For many people in the workforce, the office dress code is business casual. We even enlisted our own project manager, Anisha, to talk about her stylish business-casual outfits and which items help her to tackle her day-to-day.

A tailored blazer in a casual fabric is the layer to own when you want to polish up anything from jeans to dresses. I believe being too dressed up can come across as a little intimidating. As a project manager, I want people to feel comfortable around me. Between managing dozens of projects at work and corralling a young son at home, some days simply require stretchy pants and a comfy pair of flats.

I believe you do your best when you feel your best. Simplicity is ideal. Thin gold hoops or small studs add a touch of shine without being a distraction. Work or interviews, of course. It looks contemporary but the shapes are still appropriate for the office. Stylebook Tip : Stylebook is the perfect app to plan your outfits. Your real closet can stay orderly, since you can experiment without pulling everything out. Blue Button-Up Similar, J. For example, my cropped striped jacket looks great with a cream peplum top because the bottom of the jacket emphasizes my waist instead of my hips. When it comes to proportions, opposites attract for most people. Pair long with short, voluminous with fitted, etc. Now consider your shoes - they can make or break your outfit. The more daring the shoe, the more conservative your outfit should be. When in doubt, go with a closed toe. Crew Blazer similar. Mine is a color-blocked blue and grey dress from J.

I reserve that one for client meetings and presentations. Changing up your accessories, hair, or layering with a jacket can make these pieces feel different. Stylebook Tip : Keeping a record of your outfit ideas in Stylebook will help you get ready for work faster, even if you wake up late. This final piece in your new office wardrobe is your beauty look. Here are some of the things that took my look from good to great! O Mindy Project. Stylebook receives compensation for purchases made through links to affiliates.

Cocktail dress. The Vampire's Wife. Trend piece 1. Leather jacket. Wide-leg trousers. Leather trousers. Over-sized shirt. Seasonal dress. Trend piece 2. Related Story. Women: Here's How to Build a Capsule Wardrobe | M&S

Meeting them face-to-face is super important to gauge their character and start to build a relationship," Warburton explains. Next, I ask them several questions about what style they tend to go for, who their style icons are and what they are looking to update in their wardrobe. She then works with her clients through mood-boarding to build the piece wardrobe. With sustainability in mind, TBC photographs everything that's no longer wanted and then sells it online to produce a budget to go towards the new wardrobe to cut down on the clothing cycle. The service offers three packages that showcase a mix of designer and high-street pieces, so the service is affordable at all levels. Once this is done, I would then produce a new style direction that relates to our aesthetic. To build your own capsule edit, shop the 27 pieces below, from wardrobe staples to trend-led pieces that keep the capsule current. Type keyword s to search.

Christian Vierig Getty Images. This content is imported from Instagram. You may be able to find the same content in another format, or you may be able to find more information, at their web site. View this post on Instagram. Over coat. Puffa coat. Black jeans. Work trouser. Lounge trouser. Silk shirt. Long sleeved t-shirt. Cami top. Cocktail dress. Every work wardrobe should feature at least one blazer, but they needn't be sharply cut or made from rigid fabrics. Instead, look for fluid styles that will elevate all your office attire to chic new heights. We always keep one slung over our desk chairs for last-minute meetings both virtual and in real life.

The temperatures have risen so it was only a matter of time before we packed away our tailored coats and looked to lighter and more comfortable pieces of clothing to add to our wardrobes. From Scandi-style maxis to cute mini dresses and trendy midis they add an element of fun and keep you cool. For the more adventurous, this is the perfect time to play with prints however a simple color-palette of black, white and the odd feature color—like an olive green—is always a safe bet. While fitted trouser and jean silhouettes will always have a place on the style agenda, is the year when wider, looser strides are set to make a comeback. Worried they'll look oversized? Pair them with a fitted top and belt them at the waist. When you think about work clothes, starched white shirts probably come to mind. Neutral colors will, of course, serve you well, but don't feel obliged to play it safe—prints and bright hues will make an impact.

If your job calls for you to be on your feet for a lot of the day, or the thought of not wearing slippers fills you with anxiety, a pair of flats provides the solution. A pointed toe never fails to look fancy, but the flat sole makes them almost as comfortable as your trusty Uggs. Why not add a sheepskin insole for maximum cozy appeal? With comfort firmly on the list of requirements, no capsule wardrobe is complete without the addition of a stylish pair of sneakers. Remember when bags were an integral part of your daily ensemble? It's a small detail that'll make your work outfits feel more pulled together. Our advice? Look to wrap styles.

Not only can they be worn loosely if desired, but they also look cool layered over t-shirts, thin knits, or even over tapered trousers for a fresh take. When it comes to changing up your look, accessories are the easy way to go. Simple crewnecks will look expensive worn with tailoring, as well as soft, thin roll-necks. Avoid bulky weaves as they tend to look scruffy. If you're worried about being cold, consider layering a seamless top or vest underneath. Never underestimate the way well-chosen jewelry—especially from the best sustainable jewelry brands—enhances your outfit and your mood. A pair of simple gold hoop earrings can make you feel more in control it works for Alexandria Ocasio-Cortez, after all.

Additionally, a chain necklace is ideal for Zoom calls and for injecting a bit of your sartorial personality into your work outfits. The biggest reason

you should embrace this idea is to spend less money on clothes. It'll also take you significantly less time to get dressed while still ensuring you look good. The closet is a reflection of an easy-to-understand framework that makes your mornings easier. Besides, it frees your wardrobe from clutter. While there are no hard and fast rules, we have a few helpful tips on building the best capsule wardrobe. Overall, it's more about personal style than it is about fashion trends. Your closet should help you feel confident.

If you want a capsule full of bright colors and lots of accessories, don't settle for less. To start, clear the closet. Take every piece and note the last time you wore it. If it's been six months, it should find its way out of your wardrobe. It can be tempting but don't be too lenient as you might end up saving everything for the capsule. At the very least, bring them to a different room. The idea is to have 37 items in your closet which you'll wear for the next three months. In this period, you won't shop for new clothes until the last two weeks of the season. This is when you'll plan for the next capsule.
