Star Trek – The Reading List | Lincoln City Libraries

Photo: TrekCore. Photo: Publisher preview image. Latest Updates. Featured Stories. September 9, TrekCore Staff -. August 31, A list of today's tech that was inspired by the future. How many times did McCoy say, "He's dead, Jim"? Enough said. Beam me up, Scotty. Jan 31, Brian rated it really liked it. The Book of Lists is a popular topic as a whole and this book focuses solely on the Star Trek series, excluding the recent Discovery. The book has lists and some of them contain funny and interesting pieces of trivia about the show. There were some lists that I did not particularly care for, but a lot of them were interesting and well thought out.

Feb 07, Yosef Shapiro rated it really liked it Shelves: sci-fi , tv-shows , movie-tie-ins. This is a fun book with lists that are based on the various versions of Star Trek from television and movies. This book is not for non Trekkers. You really need to know the shows and movies to appreciate the book. As with all collections of lists, we don't always agree with what is on or more importantly what was left off the lists.

Let the debate begin! So-so reference book might entertain new fans Just ok, there are a few questionable entries, like since Ronald Reagan isn't a fan, why is hee included in famous fans? Could have been longer with a lot better information. May 28, Abraham Ray rated it it was amazing. Great Star Trek book of lists! Be sure to check out the section on technobabble! Mar 03, James Bowman rated it liked it. Entertaining collection of trivia and facts about the Star Trek franchise including all TV series before Discovery and all original and reboot films. Doesn't really offer anything more than that, but that's fine. B Entertaining collection of trivia and facts about the Star Trek franchise including all TV series before Discovery and all original and reboot films. Aug 18, Jade rated it liked it. I have been a pretty big fan of Star Trek since I was a child, and this sounded right up my alley. Although this is more of a coffee-table book to dip in and out of, I read this thing cover to cover.

Unfortunately the book was only okay for me: a little entertaining but I wanted a bit more. One thing that bothered me was that I knew that a few lists were incomplete, when the relevant episodes had been out for years before the release date of this book to be clear, I don't mind that as time goes I have been a pretty big fan of Star Trek since I was a child, and this sounded right up my alley. One thing that bothered me was that I knew that a few lists were incomplete, when the relevant episodes had been out for years before the release date of this book to be clear, I don't mind that as time goes on some of the lists have become out of date - I'm fine with a snapshot in time. For other lists where there were pictures, there was a lack of captions for context. I think the difficulty with a book of lists is that a huge amount of research is needed to fill the small amount of real estate on the page - this almost inevitably results in small mistakes as well as lack of useful detail.

Further, the difficulty with a book about Star Trek is that many fans have absorbed hundreds of hours of material and so have high expectations. As such, I am of the view that this book is probably best aimed at fans who aren't in too deep yet. Merlin Thomas rated it really liked it Feb 10, Beth rated it really liked it Feb 22, Gabrielle Norato rated it really liked it Dec 31, Tanja rated it liked it Nov 03, Ladymidnight rated it really liked it Aug 23, Alexis Lynch rated it it was amazing Dec 01, Sherri rated it liked it Sep 07, Taaya rated it really liked it Sep 26, Ryan rated it really liked it Dec 07, Connie R rated it it was amazing Jul 21, Kurt rated it really liked it Mar 12, Peter rated it really liked it Jan 10, Annie rated it it was amazing Apr 30, Trevor rated it liked it Oct 15, Keyser Suze rated it liked it Feb 24, Fiona Davidson rated it really liked it Dec 31, Alice Malice rated it it was amazing Apr 30, Jen rated it really liked it Feb 11, There are no discussion topics on this book yet.

We would say, "Wonder if So fun! Sep 27, Rick rated it liked it Shelves: star-trek , film-studies , library-loan , media-tie-in , star-trek-original , star-trek-deep-space-9 , star-trek-next-generation , star-trek-voyager , reference , popular-culture. This was fun. Apr 20, Daniel Kukwa rated it it was ok Shelves: star-trek. I'm afraid I found this work to be Compared to the approach of a similar "Doctor Who" volume, it's rather pedestrian in its listing, and the opening section especially seems full of items that I could either have done without, or could have imagined being presented in far more interesting fashion.

The best word I can use here is: underwhelming. And h I'm afraid I found this work to be And how, pray tell, do you leave raktajino out of the food list? Nov 28, Victoria rated it it was amazing Shelves: nonfiction , sci-fi. True Trekkers will eat this up but so will the novice like myself. Even the non-watchers who wonder "What's the big deal? The lists are easy to digest, full of great photos, and did I mention fun? It will also help you appreciate the thought and planning that has gone into the ST universe. Or I should say Jan 19, H rated it really liked it. List of Reasons to Read This Book 1. Neat information that you might never have known. Star Trek. A list of Kirk's "wardrobe malfunction," really? Nifty pop culture references, like the Picard face palm meme. By a wide margin. If the power goes off you can still read by candle or flashlight.

You obviously have been spared the sight of the decimation of personal libraries by sleeping nicotine addicts. The Enterprise TOS filming model was used for different ships but they were all labeled Enterprise as none of them shown their different NCC hull numbers. This book appears to be rather pointless. Who is the target audience for that book? Inline Feedbacks. November 7, pm. A book is something extra personal to oneself. David F. Legate Damar. Reply to Legate Damar. But reading long periods of time on an iPad? Ugh, my eyes! My eyes! November 8, am.
