Jessica Farm 1 | eBay

That's weird and gimmicky in the best light, but you would think that that at least it would mean that each page would be exquisitely drawn and marvelously conceived, given that it had been meditated upon for 30 gd days, right? But noooooope, definitely not. Furthermore, early on we spend like a dozen pages with Jessica in the shower, which means Come onnnnn. Anyway, here's what we ate, there was apple cake and artichoke dip and this weird Kosher cheese that someone okay, it was me brought, and it was all delish and this is still the best book club, even when we read terrible books. Apr 29, Anthony Vacca rated it liked it.

But maybe the second volume, which was just released, will pick up the slack. And then it will be only a mere wait of 8 more years before I find out what happens next. Talk about a slow burner! Apr 17, Andrew rated it really liked it Shelves: alternative-comics , comics. This is a really fascinating experiment; Josh Simmons is producing one page of "Jessica Farm" per month, presumably for the rest of his life.

This volume covers the first eight years! As you might guess based on the manner of its construction, the narrative is pretty loose, seemingly improvised in parts. Simmons draws on Lynch and Kafka and classic young women's literature the Fantagraphics press kit cites "Alice in Wonderland," but I think there's more "The Secret Garden" and "Anne of Green Gables" in here tbh to create a disturbing story of abuse and escape. The world Simmons creates here feels a bit like an internal map of an adolescent's mind, replete with fears, desires, and confusion. Our heroine is alternately plucky and fearful, just as the obstacles and characters she encounters are alternately whimsical and extremely menacing. You can't come to a project like this expecting anything like conventional narrative structure or resolution, but if you meet it on its own terms, there's a lot of panels here that will move, amuse, and discomfit you. Jan 09, Hannah Garden rated it did not like it Shelves: january Oct 23, Renee Alberts rated it it was amazing.

Both Carl Jung and Sigmund Freud acknowledged the symbolism of houses in dreams and ascribed the rooms and floors to coincide with different aspects of the psyche. Some are happy, welcoming creatures, while others are nightmarish, but all fit in perfectly with the strange geography of the whimsically shifting house. Beginning in January , he drew a page a month until he had created 96 pages. He plans to continue until , releasing a volume every eight years. As intriguing as his approach is, the art and story line stand up to the curiosity they draw. Simmons combines simple lines and cross hatching to convey a wealth of information in each deceptively simple drawing.

By the end of the book, I was shaken, amused and enchanted, and counting down the days until the next volume comes out in View 1 comment. I love Josh Simmons's comics. Jessica Farm is a creepy, funny, thoroughly bizarre stream-of-consciousness narrative that he's been drawing at the rate of one page per month since January —and is still in-progress to this day he plans on finishing it in ! It's a fascinating exercise in world building and I'm really enjoying all the odd twists and turns in the narrative, and the fact that Jessica continually falls down one strange rabbit hole after another. I do have to laugh though, at I love Josh Simmons's comics. Sometimes I think people should take courses in how to read comics that don't fit into standard or expected modes of storytelling.

Anyway, I have Volume 2 of Jessica Farm already started and I'm looking forward to volume 3—in 8 years! Aug 06, Terry Grignon rated it really liked it. Josh Simmons picked an interesting way to write a graphic novel, not to get it over with but to stretch it out. Over a long time. Josh plans to continue on until when the entire page book can be published. But he has published Jessica Farm 1 now and will publish part 2 in Jessica seems to be a child in an abusive situation but Josh Simmons picked an interesting way to write a graphic novel, not to get it over with but to stretch it out. An interesting life project and I think, well worth a read.

This first volume has some intriguing ideas, and the overall 50 year plan is audacious, with the potential to be good, terrible, or, most likely, a mix of both. The metaphorical? Five ways to stay up-to-date no matter where you are. Serve at once with bread and crackers. Looking for easy and healthy weeknight meals? Serves 4. Cut the lemon in half and set one half aside. Cut the remaining half into thin slices, then arrange the slices onto a foil lined sheet pan. Scatter red onions on the lemon slices. To ensure good flavor, work some of the marinade underneath the skin of the meat. Remove from heat, and squeeze with remaining lemon juice. Garnish with the olives, toasted nuts, and fresh parsley. This is liberating. It was written by farmer Joel Salatin of Polyface Farms, to show people how a person can raise organic food, with the utmost respect for the land and the animals, and make a profit.

Over labor day weekend, the team from The Kitchen at Middleground Farms got to spend the day with Joel as he continued his evangelism about the successes available to farmers when they are left alone to do what is right. Charlotte and her family at Champoeg Creamery hosted the event, a benefit for the Farm to Consumer Legal Defense Fund, and we were lucky enough to feed the collection of farmers with produce from our farm, tomatoes from seed genius Evan Gregoire of Portland Seedhouse, and grass fed beef from Champoeg Creamery. It was an inspirational day for all of us.

We were thrilled to be a part of it! Jessica Hansen. About Jessica Hansen This author has not yet filled in any details. So far Jessica Hansen has created 11 blog entries. Add garlic and the peas, and cook for 2 more minutes. Place all of the ingredients in a food processor, including the melted chocolate. Blend until smooth and creamy, scraping the sides of the bowl as necessary. Spoon into glasses and refrigerate at least three hours can be made one day in advance Garnish with Whipped Coconut Cream see recipe below or fresh berries.

Coconut Whipped Cream Ingredients 1 each Open can and scoop out just the fat cap into a bowl that will be used with a mixer. Whip on high until the coconut milk is starting to look fluffy. Add the agave nectar or honey and vanilla product. Whip until it looks like whipped cream. Foodie Fondness in February. Mmmm, delicious! Place on a serving platter. Sprinkle the nuts, basil and remaining toasted coconut over the top. Adding more veggies to your weeknight meals with KATU! For the Thai Basil Chicken: Heat your wok over medium-high while you prep your ingredients. Slice your chicken into bite sized pieces. Add your chili and garlic into the hot pan. Stir-fry for 20 seconds. After seconds, flip the chicken pieces individually to brown the other side. I then... Stuff inside cavity: 1 apple 1 onion, peeled and halved 1 lemon, halved 1 head of garlic, halved horizontally Sprig of rosemary Sprig of sage Parsley stems I then baste the bird with a this...

My favorite go-to recipe for the holidays... Happy holidays! Best, Jessica. Preheat the oven to degrees F. Place the chicken in the degrees F heated-oven; roast for minutes Remove from heat, and squeeze with remaining lemon juice. We look forward to seeing you at The Kitchen! Contact Us. Stay Connected.

Jessica Farm Book 1 – Fantagraphics

Planning ahead and going with the flow might seem like opposite concepts, but there comes a point where the former, pushed to a certain extreme, meets the latter. That point is Josh Simmons; Jessica Farm, a planned year project in which the cartoonist draws one page a month. And even 15 years into the project, it feels like Simmons is still getting started. Jessica Farm is a person, not a place, although the kind of person who seems to be one with her patronym. Trying to make sense of these pages is not an easy matter. One might think that a project so lengthy would involve slaving over each image, but Simmons has done neater and more involved work elsewhere. Skip to main content.

Red Emma's: Jessica Farm Book 1 by Josh Simmons

Preview — Jessica Farm, Vol. Jessica Farm, Vol. The creator of "House" embarks on a life-spanning epic. Hot on the heels of his first graphic novel, "House," Josh Simmons' "Jessica Farm" fuses serialized adventure, fantasy and psychological horror and stamps it with his signature macabre sensibility in this atmospheric new graphic novel. Like a Lynchian take on "Alice in Wonderland, Jessica Farm" opens with an exterior of what could be any Midwestern farmhouse. Once inside, we track our titular heroine as she bounds out of bed on Christmas and goes about her morning routine, eventually breakfasting with her grandparents. The banality of the situation is subverted by a ratcheting sense of dread, however, as we discover that Jessica's increasingly nightmarish house is filled with creatures around every corner: some whimsical, some sexual, some despairing and some malevolent.

Most terrifying of all is Jessica's father, whose promise of presents under the tree is loaded with the threat of violence. As in Simmons' debut graphic novel, "House," a large portion of the tension in this book is generated not only by the sudden acts of brutality and the fear of the unknown,

but by the dynamics of Jessica's relationships. This book is the first volume of a life-spanning comics project in which he drew one page every month for the past seven years, starting in January and will continue this project for 50 years in total, making up the story as he goes and releasing page increments every 8 years until he amasses a page body of work.

Start your review of Jessica Farm, Vol. Jan 06, Oriana added it Shelves: jugs-capes , books-with-pix , read Saving my comments til after book club like a good girl, but Wait, no, jk, I hate saying that any book is a piece of shit!

But I did not like this book at all. It isn't worth going into a big thing about; this is the surreal-ish story of a girl in a house full of her relatives and also a bunch of weird-ass maybe-imaginary creatures, and much of it makes no sense. There are tiny men on her desk who take her to an attic turret and play a concert for her. There's a scary gnome in the walls who shows her a cavern full of dead children. There's her secret prince fuck-buddy who cries and cries when she says she won't be his forever. There's her grandparents who serve her soup with a side of nutsack for seasoning.

I'm not even joking, and that part isn't "semi-imaginary": little wizened grandma escorts a naked man to the table so he can dip his balls into Jessica Farm's soup, because of course. It's weird and it's boring because the weirdness has no boundaries and no justifications and nothing tethering it to reality. I guess the thing is that it's modeled on Freud or something, and each of those rooms are meant to have something to do with her psyche but blah blah blah I don't care, sorry. The only other thing I want to say is this: The conceit here is that this is only book 1 of like eight, and Josh is drawing one page per month until or something and then the thing will be finished.

That's weird and gimmicky in the best light, but you would think that that at least it would mean that each page would be exquisitely drawn and marvelously conceived, given that it had been meditated upon for 30 gd days, right? But noooooope, definitely not. Furthermore, early on we spend like a dozen pages with Jessica in the shower, which means Come onnnnn. Jessica wakes up on Christmas morning and interacts with a number of objects in her room and bathroom, which are either strangely alive, or just animated in her imagination. Despite a mounting number of mysteries, there's only a hint of a plot line, and the story unfolds as a series of weird encounters. The grainy black and white illustrations lend an additional layer of atmospheric disquiet to the stark narrative that includes full nudity, bloody violence and at least one image of grotesque infant mutilation. Despite the fragmented nature of the tale, the unique story is captivating because it is odd in the fullest sense of the word: there's no sign of the ordinary, usual and expected.

Jessica Farm 1 Josh Simmons - Gutter Pop Comics

Simmons's eerily bizarre sophomore graphic novel about a teen-aged girl who lives on a farm represents the first installment of an extremely ambitious life-spanning project: Simmons plans to create a single page per month for the next 50 years. The mammoth story begins simply enough when the titular character wakes up on Christmas morning. She proceeds to talk to her monkey friend, shower with a miniature lounge band performing in her soap dish and get abducted by a foul-mouthed vagrant living under the stairs. And then things get weird: menacing monsters float through the hallways and, more startling, her monkey is savagely knifed to death. Despite a mounting number of mysteries, there's only a hint of a plot line, and the story unfolds as a series of weird encounters.

The grainy black and white illustrations lend an additional layer of atmospheric disquiet to the stark narrative that includes full nudity, bloody violence and at least one image of grotesque infant mutilation. Despite the fragmented nature of the tale, the unique story is captivating because it is odd in the fullest sense of the word: there's no sign of the ordinary, usual and expected.
