

# ACTION LAB: DOG OF WONDER PDF, EPUB, EBOOK

Scott Fogg | 96 pages | 04 Oct 2016 | Action Lab Entertainment, Inc. | 9781632291523 | English | United States

## **Action Lab: Dog of Wonder Digital Comics - Comics by comiXology**

When I saw the cover, I got a little giddy from the idea of a heroic labrador a great play on the name of the publisher with a robotic backpack. In issue one, we are introduced to a puppy named Lucky, who unfortunately did not live up to his name. What follows is a heart-wrenching tale of the cruelty that some dogs sadly experience, culminating in what could be his last day on Earth, stuck in an animal shelter. Here is where we meet our hero for the first time. The artwork, ably provided by Rosy Higgins Princeless: Raven, The Pirate Princess and Project Rooftop is very visually appealing; simple, bold and clean without being sterile. Every character, canine or human, has a surprising level of expressiveness for this style, the dogs in particular. We use different types of cookies to optimize your experience on our website. See all condition definitions - opens in a new window or tab Along the way, he send positive I was looking for some cute quick dog reads on Hoopla and discovered this graphic novel. Along the way, he send positive messages about dog adoption, caring for pets and pet overpopulation. He even talks about certain breeds which are misunderstood.

Each issue within the graphic novel features a question and answer section about dogs which would be a perfect way for parents to introduce young ones on the many facets of dog responsibility. I don't know if I'm going to be able to locate any future issues of Action Lab but if I do, you can bet I'll be reading them. Dec 28, Stephanie Tournas rated it liked it Shelves: children-s-books , children-s-graphic-novel. Three issues of the Action Lab: Dog of Wonder comic bound together. Percy the Action Lab runs an operation to rescue dogs that are scheduled to be euthanized at the Canaan City dog pound. Did I mention that he is himself a dog? A lab-rador retriever. He has a special Avengers-like disguise that makes him seem like a human, and a jet pack for quick getaways. Clever dogs and hapless humans make for dog-centered action adventure. A luminous color palette, sparse background and clearly identifiable dog breeds make this a pleasurable easy adventure graphic.

Sep 06, B rated it liked it Shelves: graphic-novels. Ok graphic- just a bound version of the comic with all the ads and stuff in the book. It does seem preachy about how care for a dog and can you give the dog a good home. I do think the dog care lessons will go over the younger readers heads. Dec 22, Sarah rated it liked it Shelves: juvenile , fantasy-scifi , graphic-novel. Cute enough, though it bothered me a bit that the trade was obviously just the comics smushed together in one volume. Jun 15, Kristin rated it it was amazing Shelves: comics. Finished issues 1 and 2.

I'm going to go hug my dog now! OK, so it's not quite Hero Cats, but as far as comic books for kids go, this is still a pretty decent one. I wish I liked dogs more. Very enjoyable. I actually thought that this was fun and very enjoyable and is definitely worth reading again sometime in the future. Mar 26, Jenn rated it really liked it Shelves: children-s , comics. So cute! I want more of Action Lab's adventures, for sure. There are no discussion topics on this book yet. Be the first to start one ». Readers also enjoyed. About Vito Delsante. Vito Delsante. ### **Action Lab Dog of Wonder () comic books**

As of this first issue, there is no villain, per se, but rather an oppositional relationship between Action Lab and the chief of Canaan City animal Control based on a perceived jailing of innocent dogs by the latter. So, all in all then, this is a fun first issue with a smart and simple premise and bright, appealing artwork. It makes a refreshing change from the dark and sinister titles that often fill the shelves of comic shops as much as I love those and it shows some real original thinking from the creative team.

I would recommend this for people looking for a light-hearted romp, and those who want something a little different from the usual superhero stuff. Are you taken by the idea of a superheroic labrador? Or do you prefer your heroes with two legs and maybe a cape? These are cookies that have not yet been categorized.
